- A pitcher who has pitched on 2 consecutive days and whose total exceeds the low category maximum allowance will not be able to pitch again on the second day.
  
- Pitcher cannot pitch 3 consecutive days unless a pitcher's first 2 days combined does not exceed:
  - 11U – 20 league/25 provincials
  - 13U – 25 league/30 provincials
  - 15U – 30 league/35 provincials
  - 18U – 30 league/40 provincials

(Note - these totals are the LOW category limit. Lakeland Minor Ball League uses the Provincials limit for crossover and finals tournaments).
