

13U Leage play games

With spring being so late some fields might not be ready if that is the case games will need to be rescheduled.

Due to odd number of teams there will be a few games that need to be played during the week. It is up to those teams to set up a date and time to play at the home teams diamonds. Innings pitched rule will be in effect for the weekday games.

TBD games: need to be played before may 29 at home team diamonds
