LAKELAND LEAGUE – BASEBALL RULES

BASEBALL RULES APPLYING TO ALL DIVISIONS

1. Lakeland Minor Ball League (“*LMBL*”) rules apply first, and all other Baseball Alberta rules apply thereafter.
2. All players SHALL be registered with Baseball Alberta.
3. Each team must submit a completed *official roster* to LMBL board each year. *Official rosters* must be entered on the LMBL.ca website prior to league play beginning.
4. Each team must carry an *official roster* with them to each game.
5. Home team will provide game balls, umpires, and prepared diamonds. If the home team cannot supply an umpire, they may access umpires from other communities.
6. Home team must provide the *official scorebook* which must be shared between the two teams. The official score that is sent to the league is what is recorded in the *official scorebook*.
7. All players are in the batting order, must be on the *official roster*, and written in the *official scorebook*.

Interpretation: To clarify batting order rules for all LMBL games – Late arriving players should be marked as a substitute at bottom of batting order lineup until they arrive. When they arrive, they can be added to the lineup in the last batting position. If a player is called to bat and is not available, it is an out. This can be discussed at the plate meeting if any players are anticipated to be late.

8. Teams cancelling games due to reasons OTHER THAN INCLEMENT WEATHER (AQI, rain, etc.) must do so a minimum of 48 hours prior to game time.
 - 1) Games cancelled within this time limit will result in no points awarded to either team and may be re-scheduled.
 - 2) Games cancelled with less than 48 hours notice for reasons other than weather will result in the cancelling team forfeiting the two points to the other team. If both teams agree, the game can be re-scheduled for exhibition play.
9. All league and final games will be scheduled for weekends. Either Friday, Saturday, or Sundays.
 - 1) In the event of a re-scheduled weeknight game, the game should start at 6:30 pm.
10. There will be NO open innings during any games.
11. All players coaching 1st or 3rd base must wear a helmet.
12. We want to encourage all kids to play. The related Baseball Alberta rules DO NOT apply:
 - 1) A team can play with 7 or 8 players without the 9th position being an automatic out.
 - 2) Players are allowed to pitch and catch in the same game.

3) Substitutions are unlimited.

Interpretation: To clarify 8 – players = no outs (when the 9th position is called to bat). 7 – players = 1 out (when the 8th position is called to bat).

13. No limit to overage players on the roster; however, teams are only allowed three (3) overage players **on the field at one time.**

- 1) Can only play if they do not have a team to play on at their own level in their community.
- 2) Overage players must be from one year older than the team they are playing on.
- 3) Overage players must be indicated on team line up PRIOR to game.
- 4) Overage players must be marked O/A on the lmb1.ca *official rosters*.
- 5) Overage players cannot pitch or catch (Delete in 2026), except for 18U Boys.
- 6) 18U Boys may have two 19-year-old players on the field provided they do not turn 20 in the current year. The 19-year-old may play any position.

14. Teams may bring underage player(s) to play games to fill a weekend tournament roster, provided they are registered with the SAME association, to minimize games cancelled.

- These underage players must be marked U/A on the lmb1.ca *official roster* as well.
- Regardless, the overage players must follow rules above.

15. Female athletes have the option to play one year overage at each division of play and compete at Provincial Championships (11U, 13U, 15U in A, AA or AAA categories).

Interpretation: To clarify the rules on overage female players, Lakeland League officially adapted Baseball Alberta overage female playing rule on March 3, 2020. A one-year overage female player may participate without any overage player restrictions (pitching, catching, number of players on field). The player does not count towards the teams 3 overage player limit.

~~PITCHING RULES FOR REGULAR SEASON WEEKNIGHT GAMES (DELETE IN 2026)~~
RULES FOR LEAGUE AND CHAMPIONSHIP GAMES

16. No new inning to start after 2 hours and 15 minutes of play unless the game is tied.

***Interpretation:** To clarify time limit rules for all games – The start of the game begins when the first pitch is thrown. The umpire shall state the time, and it is recorded by the official scorekeeper.*

17. 11U*, 13U, 15U, and 18U pitching rules for the tournaments will follow Alberta Baseball Provincial Championship Play Pitch Count rules.

- 1) * = 11U pitch count limits will be raised by 5 pitches.

***Message to Umpires** – Please consider opening the 11U strike zone, to minimize the amount of walking, in particular early in the season. The League Association leadership would like to see the 11U players develop by swinging and getting comfortable with the player pitch. Please discuss at the plate meeting at beginning of the game how you plan to handle the strike zone to gain alignment between all coaches.*

***Interpretation:** To clarify the pitch count rules are taken from the Baseball Alberta Handbook. This rule is meant to promote the development of pitching at every age level. Please refer to the current Baseball Alberta Virtual Handbook for additional details - [Pitch Count & Violation Policies](#)*
