9.1. Blackout dates must be provided prior to the deadline set by the Executive Director. Indoor-Fall Planning Meeting
Outdoor-Spring Planning Meeting

9.2. Indoor Season: All game rescheduling for the indoor schedule must go through the Executive Director to ensure field availability and referee scheduling.

9.3. Outdoor Season: The team needing a game changed is to contact the coach of the team they are scheduled to play. Together they come up with a suitable date that does not conflict with any other Lakeland games already scheduled. Once the date is set, the home team must contact their referee director to inform them of the change and to ensure a referee will be booked for the new game and cancelled for the game that was moved. Next the Executive Director must be informed of the change, make sure you include all game details: original date of game, new date of game, location of new game, age group and community the teams are from, which team is home vs away, and confirmation that a referee is booked for the new game. At that point the Executive Director will adjust the website to reflect the changes.

9.4. Game Cancellations due to Severe Weather: Club presidents (or designate) contact each other to discuss cancelling due to weather, once confirmed they turn it over to the coaches to try and find an alternate date to reschedule. Next the Executive Director must be informed of the change, and all game details: original date of game, new date of game, location of new game, age group and community the teams are from, which team is home vs away, and confirmation that a referee is booked for the new game. At that point the Executive Director will adjust the website to reflect the changes.
