

INDOOR COVID-19 POLICIES & PROCEDURES

Saskatoon Sports Centre & Saskatoon Kinsmen/Henk Ruys Soccer Centre

Saskatoon Soccer Centre Inc. (SSCI) is committed to providing a safe, clean and fun place to play! We continue to monitor the ever-evolving COVID-19 situation, and are working closely with our Member Organizations – Saskatoon Youth Soccer Inc. (SYSI) and Saskatoon Adult Soccer Inc. (SASI) – to ensure we take every precaution reasonable under the circumstances to protect the health and safety of all who utilize our facilities.

MASK MANDATE:

Effective Friday, September 17th, 2021 an interim province-wide mandatory masking order was implemented for all indoor public spaces. This requirement applies to both SSCI indoor facilities – the Saskatoon Sports Centre and the Saskatoon Kinsmen/Henk Ruys Soccer Centre.

Masks must be worn at all times by everyone entering the facilities, with the following exemptions:

- Children aged two and under,
- Players under the age of 18 years while on field while actively participating in sports
- Players 18 years of age and older while on field while actively participating in sports only if participating in league sanctioned games (practices and private rentals not included), and the league operator has implemented a proof of vaccination policy, and
- Individuals, while seated and consuming food or beverage (within the restaurant and viewing areas). Please remember that no outside food or drink is allowed.

PROOF OF VACCINATION MANDATE:

The SSCI Board of Directors – which is comprised of representatives from SYSI and SASI, and Members at Large – approved a Proof of Vaccination Policy requiring all spectators aged 18 and over to provide proof of full vaccination or negative COVID-19 test for access to SSCI facilities **effective October 22nd, 2021**. Please allow for extra time during your visit to allow for this additional step.

Players are subject to the proof of vaccination policy implemented by their respective league organizers. SSCI Programs are exempt at this time. Valid proof of vaccination includes:

- A printed copy of your MySaskHealthRecord vaccine certificate (with or without a QR code) or a “screenshot” saved to your device; or
- A COVID-19 vaccine printout from Saskatchewan Health Authority Public Health; or
- QR code/MySaskHealthRecord vaccine certificate uploaded to SK Vax Wallet app; or
- Immunization wallet card received at time of vaccination from Saskatchewan Health Authority or other Provincial health authority; or
- Official proof of vaccine documents from other governments; and
- Photo ID, along with your approved vaccine records.

INDOOR COVID-19 POLICIES & PROCEDURES

Saskatoon Sports Centre & Saskatoon Kinsmen/Henk Ruys Soccer Centre

PROOF OF NEGATIVE TEST:

Individuals who do not have proof of vaccination have the option of providing proof of a negative COVID-19 rapid antigen or polymerase chain reaction (PCR) test result from the previous 72 hours. This test will be done at the expense of the individual. Self-administered take-home rapid antigen tests (ie. pictures of negative tests) will not be accepted as valid proof of negative COVID-19 test results. All tests must be from a testing site approved by the Minister of Health.

POLICY COMPLIANCE:

All players, parents, team personnel, officials, and spectators are expected to fully comply with this policy, which has been implemented by the SSCI Board of Directors in support of our continued efforts to provide a safe environment for everyone. We strongly feel this policy will minimize the spread of COVID-19, and mitigate further restrictions on activities and gatherings. Our goal is to keep everyone safe on the pitch and in the stands! Harassment of SSCI staff or on-site enforcement personnel will not be tolerated. Anyone providing false ID and/or Proof of Vaccination or Negative Test may be banned from SSCI facilities. This would be in addition to any sanctions imposed by league organizations (if applicable).

COVID-19 FACILITY PROCEDURE OVERVIEW:

Dressing Rooms: Designated dressing rooms and showers are available no more than 20 minutes prior to game time. Absolutely no changing on the fields or in public areas. Please vacate dressing rooms post game within 20 minutes, or at the request of the SSCI Service Team.

Hand Sanitizer: Sanitizer stations are available throughout the facilities. Everyone is encouraged to also bring their own for personal use.

Disinfecting Procedures: Additional cleaning will occur in public and high traffic areas, washrooms and mezzanine areas.

Physical Distancing: Physical distancing is encouraged in all areas of the facilities at all times, including, but not limited to, seating areas, the main foyer areas, and mezzanine levels.

Live Streaming: Games are available for live streaming and on demand at livebarn.com, with a 10% discount with promo code da07-ud83. A portion of revenues are invested back into the facilities.

Saskatoon Soccer Centre Inc. is committed to providing a healthy, sports environment. Our indoor facilities are equipped with mechanical ventilation systems designed to provide fresh air throughout the buildings. We will continue to monitor the status of COVID-19 in our community and adjustments may be made to these procedures as a result. Please follow the guidance of the SSCI staff and adhere to the signs posted throughout the facilities.

Thank you for your continued cooperation!
