*Langley United's Newest Program is Open for Registration!*

*Register Now for the Langley United Soccer For Life Program. An Adaptive Program for children with emotional, mental and/or physical disabilities. This program has opportunities for children to learn in group settings or individual coaching where the skills are adapted based on the specific needs of each child. We are proudly launching this 8-week program in Spring 2020 after it's successes from our winter pilot program.*

#### *What is Soccer For Life?*

Soccer For Life is a community-based training program for young children with special needs. This is a pilot program that will be delivered by LUSA to provide a meaningful learning environment and include development and physical participation opportunities through the game of soccer. The emphasis of this program is on development and meaningful participation rather than on competition.

A flyer for the Soccer For Life Program. It features a photo of a child in a yellow jersey with "Langley" and "RESPECT" on the back. The text on the flyer includes: "All Children Born 2012 to 2008", "8 - Week Program 12pm - 1pm", "Every Sunday from April 19th - June 14th", "Langley Events Centre Indoor Turf", and "Contact Chelsea at chelsey@lusa.ca Registration at www.langleyunited.com".
