- Presidents Report
 - > Congratulations to all A side and B side winners
 - Lots of great coaching, mentoring was noted
 - Great player development, running all the lines, discipline shown
 - These coaches should be seen as mentors to those having difficulties with disciplinary issues (ie: swearing at refs/scorekeepers) and not playing all the lines, etc.
 - It was noted however that overall the season was successful
 - ➤ Lawrie received 572 emails regarding hockey
 - We request that all associations respond to and note their concerns or requests at the AGM rather than after the meeting
 - Is there an option of having a password option in place regarding posting stats on the website? In particular atom level
- Zone 5 report
 - Coaches for novice and atom levels will require an online body checking clinic
 - > Peewee and up will require both the online and an on ice course
 - > IP will be mandated cross ice/half ice games
 - All coaching clinics are required as per SHA
 - > SHA meeting in June (attendance is recommended)
