

LMHA Equipment Deposit and Fines

At the beginning of each season, all teams are required to provide an equipment deposit in exchange for jerseys and other equipment loaned to them by LMHA.

- A cheque for the Equipment Deposit of \$500 is required for all teams in LMHA. The Cheque will be cashed November 15th. You may pick up equipment with a personal cheque, but this must be replaced with a team cheque. You have until November 14th to exchange personal cheques with team cheques.
- U9 teams will also be required to provide a \$250 deposit cheque for each goalie equipment set that they sign out to maximum of 2 per team.
- Teams will sign out puck bags with pucks, practice jerseys (1 per player on the team), and a First Aid kit.
- Jerseys MUST be washed and returned in numerical order from lowest to highest when they are returned. The cost for dry cleaning unwashed jerseys will be charged back to the team.
- Please do your best to return as many pucks as possible. Although we understand many pucks will go missing through the season, we do expect that most of the pucks are returned.
- Return all equipment at the same time. LMHA will not accept partial returns. If a circumstance arises which results in a partial return, please contact the equipment director prior to making the return.
- Do not leave equipment with any arena staff. It will not be passed onto LMHA, and the team will be charged for missing equipment.
- If your team cannot make any of the scheduled equipment return dates/times, you must make an appointment with the Equipment Director to return your equipment before the cut off date.
- Ensure equipment is returned no later than April 10 to avoid fines.
