

- Team fundraising through gaming activities (raffles, 50/50 draws, tournament prize tables etc) must be approved, in advance, by the LMHA Fundraising Coordinator. Please see the information sheet **“Team Fundraising Information – Gaming Activities”** on the LMHA website or contact the LMHA Fundraising Coordinator (fundraising@lmha.ab.ca).
- Teams may choose to raise funds through other means such as:
 - Collecting a fee from each player/family on the team.
 - The amount of such a fee is usually determined by consulting with the parents in advance.
 - Obtaining donations from individuals or companies other than the Official LMHA Team Sponsors.
 - Consult the LMHA Fundraising Coordinator to find out which individuals or companies should not be approached (i.e., existing team, association or tournament sponsors or donors).
 - Selling products such as calendars, t-shirts, xmas wreaths etc.
 - See the Fundraising page on the LMHA website for details and contact information on a variety of products.
