14. **PLAY-OFFS: Semi-Final and Finals.** Hockey Canada Official Overtime, Rule #10.16 Tied Game. 10-minute OT (do not change ends, same as 1st and 3rd periods), if still tied ice is cleaned teams change ends (same as 2nd period) and 20 min periods until goal is scored.
15. **PLAY-OFFS: Semi-Finals and Finals.** Home Team is determined by the team that is the higher seeded team in the round robin.

The procedure for determining final standings in the event teams are tied during the League Regional Tournament after round robin play.

- 1- If teams are tied, the teams will be ranked with the team with the **most wins** will finish higher.
- 2- If teams are still tied, the team with the **best win/loss/tie record** in games played against each other will finish higher. Only applies if teams have played against each other in round robin play.
- 3- If still tied after 1 and 2 then the team with the best goal differential in **total tournament play** will finish higher. (Ex. team has 25 goals for and 12 goals against, their differential would be +13)
- 4- If still tied after 1, 2, and 3 then fewest goals against, then most goals for, then fewest penalty minutes, all in games **total tournament play**.
- 5- Final tiebreaker is a coin toss.
