This Policy & Procedure manual works in conjunction with the Hockey Alberta *By-laws and Regulations* Guide. Any policies and procedures believed to be in place prior to the development of this manual are hereby no longer recognized and are invalid. All policies and procedures specific to *Lethbridge Minor Hockey Association* (hereafter to be referred to as the *LMHA*) are outlined within this manual, or Hockey Alberta Regulations will apply.

- Any requests for changes to this manual must be presented to the LMHA Board of Directors and a ruling on the special circumstance or change to the policy will be implemented by the board and duly noted in meeting minutes.

- All policies and procedures apply to all LMHA teams and members as outlined in this document.

Motto *"Hockey for the fun of it!"*

Mission To provide an opportunity for youth within the Lethbridge Minor Hockey Association boundaries to participate in a structured hockey program, and to create opportunities and valuable life experiences in hockey by providing exceptional leadership and service.

Philosophy The LMHA will endeavor to fulfill this aim by operating teams in all divisions that will be developmental, equally competitive, and fun.

Vision The vision of the Lethbridge Minor Hockey Association is to create an environment that supports the learning of skills in a safe, fun, and supportive community atmosphere.

Safety & Risk Management

No Lethbridge Minor Hockey Team is allowed to go and play in any rink that is deemed unsafe. Coaches and team managers should assess all of the rinks they play in using the Risk Management Safety Checklist that was developed by Hockey Alberta. In the event this happens and an arena is found unsafe, Lethbridge Minor Hockey will take the necessary steps to assist in remedying the situation to ensure a safe arena.

Section 2 - Codes of Conduct

Bullying, Abuse, Hazing, and Harassment

The LMHA follows and enforces the principles, protocol, and intent of the Hockey Canada's *Speak Out* as well as the Respect in Sport Coach / Activity Leader and Parent programs which focuses on coaches, managers, safety people, parents, players and administrators. The LMHA policy on this is not limited to but instead in addition to the Hockey Canada Speak Out program parameters and guidelines.

It is the policy of LMHA that there shall be no abuse and neglect, whether physical, emotional or sexual of any participant in any of its programs. LMHA expects every parent, volunteer and staff member to take all reasonable steps to safeguard the welfare of its participants and protect them from any form of maltreatment.

Bullying, abuse, hazing, or harassment of any type and nature whatsoever, and whenever it occurs, will not be tolerated and will result in some form of sanction, which could include suspension of the athlete. The Lethbridge Minor Hockey Association policy on these subjects include, without limiting the generality of the foregoing:

- The LMHA will support all Hockey Canada, Hockey Alberta, and league directives and sanctions regarding bullying, abuse, hazing, or harassment.
- Bullying, abuse, hazing, or harassment may occur in person, in dressing rooms, at schools or elsewhere. If it directly or indirectly relates to hockey, it will be dealt with whenever the bullying or hazing occurs. Bullying or hazing on ~~web sites such as Facebook, Twitter, and the like~~ online or through any social media, via email, or other electronic or written correspondence will be dealt with similarly.
- The LMHA will gather such information that it deems necessary from any and all available sources and decisions will be made accordingly.
- The consequences of bullying, hazing, abuse, or harassment will be as follows:
 First offense- A verbal or written warning, or up to a maximum three game suspension. Note: Written warnings may be removed from the member's file on/after one calendar year upon written request provided to the LMHA office, and subject to LMHA Board approval.
 Second offence- Minimum three game suspension to indefinite suspension.

If law enforcement authorities are investigating any incident involving an LMHA athlete for bullying, abuse, hazing, harassment, or the like, the LMHA will co-operate fully and will provide all pertinent information to assist in the investigation.

Conflict of Interest Policy/LMHA Directors, Employees, and Appointed Volunteers

APPLICATION:

This policy applies to all members of the Board of Directors (Directors), Employees, and appointed volunteers of the Lethbridge Minor Hockey Association (LMHA).

The Conflict of Interest Policy highlights the expected standard of conduct for all LMHA Directors, Employees, and those in appointed positions.

INTRODUCTION:

The LMHA has and continues to earn the trust of its membership by delivering a minor hockey program in accordance with our Mission Statement and core values. Our membership expects our directors, employees, and appointed volunteers to deliver and administer these programs fairly and objectively. Directors, employees, and appointed volunteers are held to a high standard of conduct because their official duties

have an impact on the rights and interests of the membership of the LMHA. These individuals must ensure that their private interests and/or outside activities do not affect their ability to perform their duties in an objective and neutral way. They are expected to serve in the interest of the membership and uphold the membership's trust by preventing situations that could give rise to a real, perceived or potential conflict of interest.

OBJECTIVE AND OUTCOME:

1. Objective- To ensure that issues of conflict of interest are resolved in the interest of the LMHA and its membership.
2. Outcome- The membership will continue to have confidence and trust in the integrity of the board of directors, employees, and those appointed to positions within the LMHA.

ACCOUNTABILITY:

1. The LMHA President and General Manager will ensure that all documents relating to the Conflict of Interest Policy are reviewed and completed on an annual basis by all Directors, Employees, and those in appointed positions. In the event of a conflict of interest being disputed, the Board of Directors will investigate and rule as needed.
2. All employees, directors, and appointed individuals will review and familiarize themselves with the Conflict of Interest Policy and accept it as a condition of employment, placement in an elected office, or the ability to act as an appointed volunteer.

PRACTICAL APPLICATION:

1. Members of the board of directors and/or employees must remove themselves from the meeting room whenever discussions are held regarding a specific team, coach or players that the director/employee may be involved with as a team official or parent. At no time will a director/employee in this type of situation be allowed to engage in official LMHA discussions or votes, as applicable.
2. Notwithstanding #1 above, members of the board of directors and/or employees may be allowed to participate in discussions regarding the age division they participate in as either a team official or parent. However, they will not be allowed to participate in any votes resulting from these discussions and will be asked to leave the meeting room during any required votes.
3. Notwithstanding #1 and #2 above, it is the responsibility of any Director or Employee to self-identify any real, perceived, or potential conflict(s) of interest, and that individual must identify the real, perceived, or potential conflict(s) of interest prior to any discussions per #2 above. If necessary the remaining directors will then determine if such a conflict exists.

It is not the intent of this policy to stop discussions on any issue that arises at any board meeting. However, it is the responsibility of all directors, employees, and appointed individuals to ensure that they act at all times in the best interest of the LMHA and its membership, and to perform their duties in such a manner that ensures that there is no real, perceived or potential conflict of interest at any time.

They are responsible for the coaches being well informed of Board of Directors decisions and ensure that they follow the Hockey Alberta and LMHA *Rules and Regulations*. It is highly recommended that each governor watch the games in their division as often as possible, as well as being around at their tournaments.

This person is responsible for bringing information from the Referee Association to our Board of Directors and from our board meetings to the Referee Association. Committees

Although we have several board positions that cover a wide area of Lethbridge Minor Hockey business we do require some special committees to be formed that consist of the Board of Directors, and other volunteers.

Also, the LMHA Board of Directors may appoint additional committees to advise the Board or to conduct specific activities for Lethbridge Minor Hockey. The committee members are drawn from the regular membership or the community at large.

Many committees can be formed throughout the year, but the following are needed at the start of the year:

Coach Selection Committee

These committees then bring back to the board recommendations to be considered for approval. The following shows existing committees and the board positions assigned to participate as required.

The committee structure below may be modified at the discretion of the LMHA President or Vice-President if a member(s) is seen to be in conflict on any matter to be discussed.

Section 4 - Team Positions

On every team there are certain positions or jobs that Lethbridge Minor Hockey requires to be done. They are: Coach, Parent Representative (optional), Manager, and Finance. These are outlined as separate jobs, as we feel it is in the best interest of the players on the team if they are performed by more than one or two people.

Coaches

Coaches shall make application for a coaching position through the Lethbridge Minor Hockey Coach Selection Committee. All coach selections will be ratified through the current LMHA Board of Directors via majority vote.

Coach Application – Tier 1 & Higher

Individuals intending to coach any Tier 1, AA or higher team in the LMHA must submit their coach application through online submission, in person, by fax, or e-mail to the LMHA office no later than April 15th to be considered for the following season. Only applications received at the LMHA office by April 15th will be considered for the interview process. However, if no suitable coaches have applied by this date, the LMHA has the right to seek out other candidates. Coach interviews for AA or higher teams in the LMHA will be completed no later than May 31st, and final coach selection will be announced on/by June 15th.

Interviews for coaches for the Elite and Tier 1 (CAHL/non-City league teams) in LMHA will be completed by a pre-selected committee. Any member of this committee that has, or potentially has, a child that may play for any of the teams in the divisions being interviewed for are ineligible to be part of the interview process for that division.

Individuals intending to coach LMHA Tier 2 and lower or City League teams must submit their application through online submission, in person, fax, e-mail or mail to LMHA office no later than May 31st to be considered for the following season. If no suitable coaches have applied by this date, the LMHA has the right to seek out other candidates. All attempts will be made to complete coach selection for LMHA house league teams no later than August 31st for the following season.

Interviews for coaches applying for LMHA City League teams will be completed by a committee selected by the LMHA Board of Directors. Any committee or board member that has, or potentially has, a child that may play for any of the teams in the divisions being interviewed for are ineligible to be part of the interview process for that division.

Coach Responsibilities

Once selected, there are several responsibilities that this person assumes by becoming coach. They are as follows,

but are not limited to this list:

- Do everything within their power to teach the players' hockey fundamentals and team building skills.
- Ensure that each individual is part of the team.
- Attend all mass practices.
- Select their team.
- Co-ordinate ice with the governor.
- Check in the LMHA office regularly and pick up coach mail.
- Attend all coach meetings.
- Assist with the tournament committee for their division.
- Attend required clinics and workshops.
- Complete and submit a Criminal Record Check. (See Appendix D, page 29, for the LMHA criminal record check policy).

Parent Representative (optional position)

This person will also be responsible for making sure that all of the parents on the team are informed of the relevant information coming back from the LMHA board or league representative via the acting division governor.

This position also acts as a liaison between parent and coach and concerns are relayed to the governor of that division. Please note: In the last few years this position has been combined with the managers' position and has worked out quite well.

Manager

The team manager will ensure that all proper paper work is completed for the team such as team sheets, player cards, travel permits, game sheets, and team rosters.

The Manager must have a CHA accident form and player information forms available at every team function in the event one is required.

Registration/Team Officials

The LMHA will cover the fees to register up to 5 (five) team officials, per team, with Hockey Alberta. Any requests to register additional team officials above this number will be billed directly to the team in question, and at the going Hockey Alberta rate in effect at the time. No team official will be added to a roster until they meet Hockey Alberta Certification Requirements.

Finances

Each team has a sponsor who has paid Minor Hockey a sponsorship fee for the purpose of purchasing and screening jerseys. Teams are NOT to contact their team sponsors directly for additional contributions. Each team is required to raise their own funds for out of town tournament entry fees, any extra ice required by the team over and above LMHA ice provided, and any extras the team would like for the players such as hats, jackets, track suits, etc. These finances are to be kept by the team for the team, and are not at all related to the business of the Lethbridge Minor Hockey Association. **Each team MUST have two (2) non-related signing authorities on their team bank account.**

Fundraising Policy

Current policy concerning fund raising stipulates that careful accounting take place with statements, checking accounts, dual signing authority and the like being established. Coaching staff within a team are discouraged from taking on fund raising functions as their time is taken up with the team. It is recommended that coaches not be the signing authority for the team. Responsible parents should take this on solely based on consensus within the group. The LMHA believes all teams have the right to raise funds for their respective team. It is recognized that the funds raised are to be used for the betterment of the team as a whole. When raising funds, members are also representing the Lethbridge Minor Hockey Association (LMHA) and are encouraged to always project a positive image of the LMHA.

Please note:

- The LMHA has the right to request fundraising budgets from any team.
- Fund raising must be by the hockey team concerned, not Lethbridge Minor Hockey Association.

- All fundraising activities must be discussed and approved by the majority at a team parent meeting;
- The maximum amount that individual team players may fundraise is 100 % of their team expenses.
- No one person shall profit from fundraising.
- All monetary transactions relating to fundraising are to be documented in accordance with basic accounting principles and are subject to review.

50/50 – All Teams

The LMHA allows all teams to use 50/50 ticket sales at Home games as a fund-raising tool. CAHL and City League teams may use money raised to supplement their various team expenses for the season. Elite teams are to use 50/50 raffles as a method to supplement the cost of meal purchases for the team.

Section 5 - Registration & Rates

- Each and every individual who is interested in participating in the Lethbridge Minor Hockey program must be registered.
- First time registrants must provide a verification of player's age.

Section 6 - Coaching

Anyone who is interested in coaching in the Lethbridge Minor Hockey Association must meet the Hockey Alberta minimum coaching certification requirements. No adult shall be added to any roster unless the Respect in Sport Coach / Activity Leader course and certification is completed and current.

All complaints regarding a coach's conduct shall be investigated by a Disciplinary Committee.

For more information on the coach application and selection process, please refer to Section 4 of this *Policy & Procedure* manual.

Coach Duties

Each coach is responsible for all registered members on their team. He/she will teach these players further skill development and hockey fundamentals through practices and games. The coach is asked to keep the Lethbridge Minor Hockey motto in mind "Hockey for the fun of it" while teaching these players. Lethbridge Minor Hockey supports "fair play" for all players.

- Coaches must participate in the Coach Mentor program if requested by the LMHA.

The coach is responsible for all communication with the Governor of their division. The governor will be passing ice provided by the LMHA through the coaches to the teams, therefore the coach is responsible to make efficient use of all LMHA ice and ensure that one weeks' notice of inability to use said ice is provided to the Governor or the LMHA Office.

Elite Coaches

The Board and the Organization believe that the coaches of our Elite teams should reflect and represent the philosophy of LMHA. The LMHA system is a developmental hockey system and a philosophy or behavior which emphasizes equal development opportunities. Coaches will be expected to follow and honor the goals, mission and objectives of the LMHA.

The LMHA will insist on having coaches accept and follow the *Coach Code of Conduct* and the rules set out and approved for coaches, as well as these *Policies and Procedures*. The organization shall maintain an additional carded and fully qualified coach who will be available if called upon. The additional coach shall take no active part in the operation of any team unless and until another coach is replaced, in which case the additional coach shall be named the head coach and assume responsibility for the operation of the team in question for the balance of the season.

In order to select the best and most qualified coaches for each of its nine Elite teams the LMHA Board of Directors, through the Elite Committee and a Coach Selection Committee shall make the final determination of coach selection based on a thorough selection process. Conflict of interest guidelines shall be strictly enforced and applied.

In selecting the most appropriate coaches for each of its teams, the LMHA will advertise for coaching positions for all of its Elite teams via the LMHA website, and through other media as deemed appropriate.

- All coaching applications shall be directed to the LMHA office prior to respective deadlines per the LMHA Policies in section 4.
- The LMHA will assist Elite teams by attempting to locate and recruit qualified trainers.
- Coaches MUST complete the appropriate coach 'level' training / certification for the team in question. Coaches will be only be approved or rostered once this process is completed.
- For Elite teams, all Assistant Coaches, managers, and trainers must be brought to the LMHA Elite Committee for review before team registration will be allowed.

Section 7 - Team Selection and Divisions

TEAM SELECTIONS MUST ALWAYS BE MADE IN THE BEST INTEREST OF THE PLAYER(S), AND MUST BE DONE IN A MANNER THAT ALLOWS THEM TO PLAY AT THE HIGHEST LEVEL THEIR SKILLS ALLOW.

Evaluation Procedure- Tiered and City League

- The appointed LMHA governor is the main contact person for all communications.
- For tiered teams, all players must declare a position on their registration form.
- Players registered for tiered tryouts must attend all sessions, however, consideration may be given for injuries and other extenuating circumstances. This will be evaluated on a case by case basis thru a panel appointed by the LMHA Board of Directors.
- In addition to the head coach, all attempts will be made to have teams evaluated by independent evaluators. An independent evaluator may be from the Lethbridge and surrounding community, but is to have no direct ties to the tier they are evaluating. All team coaches may evaluate, however, only one evaluation package per team can be submitted. All attempts will be made to have the same evaluators present for all sessions.
- Drills for tiered try outs will be pre-set by coaches, governor(s), and on-ice leads.
- Authorized evaluation forms will be provided to all evaluators, and these must be turned in to the respective LMHA governor at the conclusion of each tryout session. The LMHA governor will compile the ratings data from the evaluation team throughout the evaluation skates.
- The evaluation team (governor and head coaches) will group players how they see fit for all skates. This must be done with an attempt to balance groups by position (defense and forwards).
- Players are grouped out for the inter-squad game(s) by the evaluation team, and all attempts must be made to balance groups by position (defense and forwards). Final player rankings will be completed by the LMHA governor and used for team selection after the final on-ice session.

- The LMHA will advise the governor and tiered coaches how many players their roster will consist of. This will be based on registration numbers.
- Once the LMHA governor has the roster number from the LMHA and the evaluation skates are complete, the governor will provide the coach a selection list showing the equivalent number of top-ranked players, PLUS the next 7 (seven) top-ranked players. This roster list will be prepared based on rankings from the submitted evaluation sheets, and with consideration to a balance of forwards and defense. The 7 “over roster” players must consist of 4 forwards, and 3 defensemen where player evaluations and numbers warrant it. This will apply to all tiered divisions.

Example: The LMHA advises that the Bantam T1 team will consist of 15 skaters (9 forwards, 6 defense). The list of players that would be provided to the coach would be the top-ranked 22 skaters (13 forwards, 9 defense). The coach will select a total of 9 forwards and 6 defensemen from this list.

- Goaltenders to a particular team will be determined by the LMHA based on registration numbers.
- The evaluation team will ensure that all ratings and/or draft pick numbers are kept confidential.
- Due to the unique nature of the Midget division, exceptions to the above ranked player selection list rules may be considered based on circumstances. Exception requests would need to be made in writing no later than 7 days prior to the scheduled team selection date, and would be approved or denied after review by the Midget Governor, the acting LMHA Director of Competitive Hockey, and the acting LMHA General Manager. If any of these individuals are found to be in conflict with the Exception Request, alternate(s) will be appointed by the acting LMHA Director of Competitive Hockey, as required. The decision of this committee would be final.

NOTE: ANY DEVIATION FROM THE NORMAL STANDARD ROSTER FORMAT NOTED ABOVE, AND/OR SELECTION LIST CRITERIA, AND/OR IF ANY OF THE TOP 5 RANKED PLAYERS (PER TEAM) ON THE SELECTION LIST ARE NOT TO BE CHOSEN, MUST BE JUSTIFIED TO THE TEAM SELECTION COMMITTEE BEFORE THE TEAM CAN BE DRAFTED.

Team Selection – Tiered and City League

All Novice T1 and Atom T1 teams must have a minimum of three (3) first year players selected, per team.

Any child opting out of one tier to another may, upon review by the LMHA GM and/or Hockey Operations, drop to the lowest level of play in that division.

No teams shall be selected until all coaches are present. A coach or coaches can only protect his/her own children (maximum of 2) and all protected players are slotted first.

All players must attend mass practice if at all possible before being selected.

Prior to the selection commencing an equalization process shall balance the team’s talent for those secured players of the coach and assistant coaches. Once equal, the coaches will then pick numbers out of a hat. The players are then drafted in the order of selection based on the number out of the hat. The order of the draft shall be: (Example) First Round 1 – 5, Second round 5 – 1, etc., and this continues through until the draft is completed.

Trading is allowed once the team selection is complete as long as no coach present in the room has issue with the proposed transaction. The governor will ensure that all coaches understand the process and that under no conditions should any ratings of players or selection pick numbers be shared with the balance of the membership!!

All teams in a division must have an equal number of players. For example, after the teams are all selected a new player comes, he or she must go to the next team requiring a player to become equal. If each team already has an equal number of players, then he/she goes to the team who would have drafted next.

Team Selection – Elite Leagues

Elite Team Selection process:

- All players are rated during mass practice by a panel of independent evaluators along with coaches.
- Selection of a team must have Head Coaches present. A Coach or Coaches can only protect his/her own child to a maximum of two (2).
- Protected players must be evaluated by independent evaluators, (coaches cannot evaluate their own child, or the assistant coach's child). These players will be slotted into the round as per their evaluation rating. Example; Player (x-A) evaluated #5 overall, Coach for team A would take his/her player in round 3 of draft process.

Once protected players are slotted, the coaches will pick numbers out of a hat. The players are then drafted in the order of selection based on the number out of the hat. The order of the draft shall be: (Example) First round 1-2, second round 2-1, to continue in this manner until the draft is completed.

The majority of players cut from the Midget AAA program should occur after pre-season tournament(s) and/or exhibition game(s), with 15 year olds going to the Minor Midget program tryouts. Remaining players that live within the LMHA boundaries may go to the AA Midget try-outs.

- Cooperation is mandatory between the Minor AAA Midget, AA Midget and AAA Midget coaches to accommodate late cuts from the AAA Midgets.

It is understood that the AAA Midget team may carry a 24-person roster until the sixth league game and that they may expect a player cut from the Junior Hockey league until October 1st. **All “AAA” teams are exempt from the “roster + 7” policy once roster numbers have been reduced per League/Hockey Alberta requirements.**

The Lethbridge Minor Hockey Association requires that players being cut from the AAA Bantam team occur in a timely fashion. Specifically, this means that a 19-player roster shall be determined prior to the first league game and a week before the AA Bantams have to set their final roster for the first league game.

Players being cut from the AAA Bantams, AAA Midget Minor, and AAA Midgets will receive a game and one practice tryout with the respective AA team if they are cut from the AAA Programs after the completion of AA and Bantam and AA Midget tryouts. The coach will then review the player ability and inform them and their parents of their decisions in either making or not making the respective AA team. If a 15 year-old player tries out with the Minor AAA Midget team and is cut he/she may then tryout for the AA Midget program.

Player Acceleration

The objective is to develop players within their specific age group, and not to displace the players from their age Division by facilitating the movement of underage players.

All underage players will only be considered as an exception.

- Underage players will only be considered if they are one year younger than the age Division they are applying to participate in;
- A formal application must be submitted (Under Age Player Application) prior to the Evaluation Camp beginning.
- Along with the Under Age Player Application, the Player must submit a letter outlining the rationale for being considered as an Underage Player;
- No underage players will be granted a second try-out;
- An underage player approved for participation in the Evaluation Camp, must evaluate in the top third of skaters by position; i.e. The player must evaluate as a top three forward, top two defenseman, or the top goaltender, to make the Division / Team in question.
- The underage player's participation with the higher-level Division / Team must be determined within the first seven days of the Evaluation Camp, through a minimum of two ice times.

Divisions – Tiered and City League Teams

The numbers of teams in any division are determined annually by the Board of Directors based on the number of players registered in each division and the location of league play and caliber. These numbers can fluctuate from year to year and the Board attempts to make the necessary adjustments to facilitate this.

City League – is a Lethbridge Minor Hockey League within 50 kilometers of the City of Lethbridge with LMHA City League teams and possibly teams from neighbor associations within 50 kilometers.

Central Alberta Hockey League (CAHL) – this is the league that the Tier teams participate in and the league covers a geographic area primarily from Rimbey South, border to border to border. Depending on the number of teams in a division or Tier (Novice, Atom, Peewee, Bantam, Midget) the geographic area may be further divided into playing divisions such as North, South or East, West.

Elite Female teams are evaluated by the joint effort of the LMHA Female Director, Female Governor, independent evaluation and coach evaluation

The PEE WEE AA teams will be of equal caliber, with a minimum of three (3) first year players on each team and who all reside within the LMHA boundaries. Each team will consist of 17 players.

For player development purposes it is strongly recommended that the BANTAM AA team will consist of a minimum of seven (7) first year players, with the balance being Second year players that reside in the LMHA boundaries. They must have registered in the AAA tryouts, and have been either released or granted permission by the AAA coach to not attend the AAA tryouts.

For player development purposes it is strongly recommended that the MIDGET AA team will consist of a minimum of nine (9) sixteen (16) year olds and the remaining seventeen (17) year old players. Fifteen (15) year old players are eligible for the team, but must try-out for the Minor Midget AAA team and be released prior to trying out for Midget AA. For balancing purposes they would be considered in the balance of 16 year old players.

The BANTAM AAA team will consist of the top nineteen (19) players within the Elite Draw Zone.

- All non-resident players must provide to the LMHA a fully completed Hockey Alberta *Notice of Tryout* form (duly signed by their local minor hockey organization) upon registration with Lethbridge Minor Hockey Association.

The MIDGET Minor AAA TEAM (15 year olds) will consist of the top nineteen (19) players within the Elite Draw Zone.

- All Non Resident players must provide to the LMHA a fully completed Hockey Alberta *Notice of Tryout* form (duly signed by their local minor hockey organization) upon registration with Lethbridge Minor Hockey Association.

The MIDGET AAA team will consist of the top twenty (20) players from the Elite Draw Zone as determined by Hockey Alberta.

- All Non Resident players must provide to the LMHA a fully completed Hockey Alberta *Notice of Tryout* form (duly signed by their local minor hockey organization) upon registration with Lethbridge Minor Hockey Association.
- All out of town players who are cut from the AAA teams must return to their home hockey association. Under Hockey Alberta rules no player can move for the sole purpose of playing hockey.
- All out of town players at the end of the hockey season are returned to their home association.

Sibling Participation – Practices

Any player attending a sibling's practice must be registered in LMHA, be 16 or over, wear full equipment and a special event form must be submitted prior to attending practice. This does not supersede Hockey Alberta's policy but adds to it.

Section 8 - Affiliation

The LMHA affiliation procedure follows Hockey Alberta Guidelines.

All affiliations must be approved by LMHA Hockey Operations or LMHA General Manager and are not completed until the coach/manager receives a roster with the affiliated player on it.

Guidelines - Affiliation of Players

A team may use affiliated players ONLY if the following rules are complied with:

- Coaches wanting to affiliate must obtain a Player Affiliation Agreement, and this must be properly filled out and signed by the parent(s)/guardian of the player to be affiliated, rostered coach, and coach of affiliated player, then submitted to the registrar and general manager via email.
- Player Affiliation Agreements must be submitted to the registrar by December 1st so they can be entered and submitted for approval prior to the Hockey Alberta deadline. **Affiliation is not legal until affiliates are registered with the Alberta Hockey registrar or designate.**
- Affiliation of a player is legal for the player to participate once the Coach / Manager receive an official
- To keep affiliation fair and equable within the LMHA, teams may affiliate up to a maximum of 2 goaltenders, 4 defense, and 4 forwards from within the Lethbridge Minor Hockey boundaries. AAA Midget, AAA Minor Midget, & AAA Bantam teams can affiliate players from within the Elite draw zone.
- Affiliated players, when brought up, must play.
- A player may affiliate to a maximum of ten (10) games per season. However, if the player's registered team completes its regular season and playoffs before the player's affiliated team, the player may thereafter affiliate an unlimited amount of times.
- The player is to be used **ONLY** for the replacement of missing or injured players, up to the teams registered roster.
- Affiliates are **NOT** to replace healthy scratches.
- **There will be no affiliation of Novice to Atom at any level**, except under extenuating circumstances such as low roster numbers in higher division.

Affiliation Process

- Submit the completed Player Affiliation Agreement to the Registrar and General Manager
- No affiliate player shall participate until the affiliating Head Coach / Manager have received an official roster with the affiliated player on it.
- Before an affiliate player can play or practice for a team, permission must be obtained from the affiliate

player's regular team head coach each and every time the player is needed. If a controversy over a player exists, Lethbridge Minor Hockey would then assume that no affiliation exists until the matter can be resolved internally. Failure to obtain permission to use the player will result in suspension of the head coach of the affiliating team for a minimum of one (1) league game. All team with a full roster of skaters must have a minimum of 2 skaters missing to use affiliation.

- If permission is granted by the head coach, the affiliating coach must speak to the player's parents and obtain the parents' consent.
- The coach may then approach the player and inquire whether the player wishes to play the proposed game or the practice time.
- Regular team events / activities have precedence over any other hockey activity. To explain- if the affiliated player has a regular season game with his/her own team and is called up for a game with the affiliating team, this player has a responsibility to play for his or her own team first, unless his/her coach grants permission for them to play up as an affiliate. Coaches should, at every opportunity, encourage players to play at a higher level, but not at the expense of their own team.

Using an Affiliated player for practice purposes are only approved by the General Manager for the sake of risk management.

Goaltenders

There are occasions when a non-rostered goaltender is required, in divisions where Hockey Alberta recognizes the goaltender position. The goaltender can only be used once the Lethbridge Minor Hockey Association has received written approval from the Zone Chairperson. If the Zone Chairperson has not given approval the goaltender may not be used. Each game requires a new request for approval, as the Zone Chairperson approval does NOT allow that player to be borrowed at any time for the balance of the season. The coach must complete the *Substitute Goaltender Request* form available under "Forms" tab on the LMHA website.

Section 9 - Administration

Insurance

Insurance fees are paid by LMHA on behalf of each member (player or adult) directly to Hockey Alberta and these fees are included in the player registration fees.

- Only players, team coaches, and managers listed in the HCR official roster are covered by insurance. This includes affiliated players
- All adults going on the ice/bench must be registered as a team official in the HCR and be on the official roster. If they are not registered with Hockey Alberta, then they do not go on the ice or on the bench.

Team Registration

With team registration, the Roster Request Form is submitted to the Registrar who will then input it into the HCR system to generate an official roster.

IT IS THE COACHS' RESPONSIBILITY TO ENSURE THAT:

- All Players are registered.
- All Assistant Coaches/Managers/Trainers are listed and proper information (full name/birth date) is provided.

These dress codes are to be in effect for all players and coaching staff when entering an arena for a game, during a game, and when exiting an arena after a game. TIER 1/TIER 2/TIER 3 OPTION #2 (PLAYERS ONLY) DRESS CODE:

In addition to the "Option 1" noted above, another option for tiered teams is the use of track suits as team dress apparel. **However, whichever option a tiered team uses, it is expected that the entire team will be in one or the other dress code option, not a combination of both.**

Section 13 – Tournaments, Playoffs, Provincials, Travel

Tournaments - All Teams

- Lethbridge Minor Hockey purchases the ice contracts for tournaments in Lethbridge. Each tournament committee is to pay for officials and ice themselves.
- The LMHA charges an administration fee for all tournaments. Lethbridge Minor Hockey will not permit teams to use LMHA ice user rates, nor sanction any tournament or exhibition series directly thru the City of Lethbridge.
- All officials used in Lethbridge Minor Hockey games for exhibition, league, or tournament must be carded officials, assigned through the LMHA referee assignor.
- A tournament committee shall be formed for each division and should contact the General Manager 6 - 8 weeks prior to the tournament date.
- All participants must follow the Hockey Alberta rules, but each tournament may add extra rules.
- The LMHA will provide ice and request sanction numbers for LMHA approved tournaments only.

Elite Tournaments

- Based on additional team fees, the LMHA has budgeted for one out of town tournament per season for each Elite team. Travel to these away tournaments (except Provincials) is limited to 850km from Lethbridge, and must be within western Canada.
- Requests for additional away tournaments, or tournaments that exceed the allowable budgeted amount, must be approved by the applicable League and the LMHA, and are at the teams' expense if approved. Requests must be made in writing to the LMHA.
- Elite teams are limited to two AWAY tournaments per season.
- Teams cannot move league games to accommodate tournaments.

Playoffs - City League Teams

The playoff format for City League teams shall be determined by the acting Governor and the LMHA office.

Provincials

Lethbridge Minor Hockey supports the Atom, Pee Wee, Bantam, Midget divisions in their efforts to participate in the provincials. Hockey Alberta charges an initial fee to all teams participating in provincial play downs. Lethbridge Minor Hockey Association may also charge all teams the cost of ice and referees prior to each round of play-downs in addition to the Hockey Alberta fee.

- Once provincial play downs start the priority is for those games. The team must accept one of the 2 ice times offered regardless of conflicts. This may mean not participating in a tournament or re-scheduling a league game.

Trips / Tours / Exchanges

Teams may travel on trips, tours or exchanges. However, teams traveling to play exhibition and tournaments out of their own zone must get a travel permit from the LMHA. This travel permit, along with the game sheets, must be returned to the LMHA to be forwarded on to Hockey Alberta. In order to receive a travel permit for a tournament you must provide the tournament sanction number. Tournaments without sanction numbers will not be approved.

Section 14 - Discipline

In every organization discipline is a requirement. The Lethbridge Minor Hockey Association has a Disciplinary Committee to deal with player, coach, and team disciplinary matters.

All complaints regarding a coach's conduct shall be investigated by a Disciplinary Committee.

Suspensions

- These are issued following the Hockey Alberta Rules, however, each Association or League has their own rules and can add further suspensions as they deem appropriate.
- All suspensions must have a copy of the game sheet attached, and must be submitted to the LMHA office within 2 working days of the incident. These are then forwarded on to the Disciplinary Committee Chairperson, Coach, Governor and the Referee-in-Chief.
- Should an incident arise which requires a hearing before the Disciplinary Committee, those involved in the incident should consider themselves suspended pending hearing results.

Appeals

All Lethbridge Minor Hockey Association appeals must contain a clear and concise written summary of the grounds for the appeal with particular reference to the rules that relate to the appeal.

- A first written appeal to the Discipline Committee must be made in writing to the Discipline Committee Chairperson within 48 hours of the decision to be appealed. All notices of appeal must be accompanied by \$150.00. There are no refunds on appeals.
- A further Appeal can be made to Hockey Alberta pursuant to the *Bylaws and Regulations* of the Alberta Amateur Hockey Association.

Grievances

Any player, parent, coach or manager with a grievance is urged to bring the matter in writing to the attention of the Governor of the division. Disputes if unresolved at that level will be referred by the Governor to the General Manager. If no settlement is reached the final decision will be made by the LMHA executive.

A text message is an acceptable form of communication for complaints and/or discipline related concerns as long as it can be printed and the origin can be identified.

Section 15 - DRESSING ROOM POLICY

Dressing Room

Players should be supervised at all times. A lone personnel member should never be in the dressing room with players at any time, and especially when they are showering or changing: two (2) adults should be present together; which is called the "Two Deep Method" of supervision. Should separate dressing rooms be required, both dressing rooms require the appropriate adult supervision. Please refer to Section 16 - Supervision Guidelines – Dressing Room

Injury Treatment

The safety person should avoid treating injuries out of sight of others. Use the "Two Deep Method" (two adults) supervision system.

Female Teams

Recommend that when using the "Two-Deep Method" with female hockey teams, there shall be 2 female supervisors with the players where possible. If not possible there may be one (1) male and one (1) female supervisor. The male supervisor however, would not enter the dressing room but would be within hearing distance to protect supervisors or players. Please refer to the Hockey Alberta Co-ed Dressing Room Policy in Information Bulletin #HP7 for the branch dressing room policy.

Road Trips

Ideally, team personnel and players should not share accommodations, regardless of the potential cost savings or other benefits. If sharing a room is unavoidable, be sure that the “Two Deep Method” rule is observed at all times.

Physical Contact

Team personnel should avoid touching a player. Use the “Two Deep Method” (two personnel, or two players) supervision system. The comfort level and dignity of the player should always be the priority. Limit touching to “safe areas” such as hand to shoulder.

Isolated Spaces

Parents/guardians should never leave their child unsupervised in a facility, nor should they leave their child alone with a single personnel member (use the Two Deep Method supervision system).

Sport and Training Facilities

Participants who are minors should never be left waiting in a facility without the supervision of their parent/guardian or personnel member (use the Two Deep Method).

Parents in Locker Rooms

Except for players at the younger age groups, 5 – 10 years of age, we discourage parents from entering locker rooms unless it is truly necessary. If a player needs assistance with his or her uniform or gear, if the player is or may be injured, or a player’s disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the player.

Naturally, with our youngest age groups it is necessary for parents to assist the players getting dressed. We encourage parents to teach their players as young as possible how to get dressed so that players will learn as early as possible how to get dressed independently. In circumstances where parents are permitted in the locker room, coaches are permitted to ask that the parents leave for a short time before the game and for a short time after the game so that the coaches may address the players. As players get older, the coach may in his or her discretion prohibit parents from a locker room. In general, parents should not enter the dressing room if the players undress to less than shorts and t shirts.

Co-Ed Dressing Rooms

The LMHA firmly believes in accommodating both genders in our great game. We further believe in balancing this goal with the safety, privacy, modesty and wishes of ALL our members without compromising the aspects of camaraderie, social integration and bonding inherent in a team sport. This policy attempts to meet all these goals while providing a safe and respectful environment for our participants.

We also stress the importance of coaches ensuring both male and female players have equal access to pre and post team sessions and to all team related activities.

The LMHA recognizes the physical limitations of some facilities and encourages our members to work with local facility management to ensure that appropriate changing facilities are available to both genders.

The LMHA allows co-ed dressing room situations to exist at the Initiation Program, Novice and Atom levels, 5-10 years of age provided participants in a co-ed situation either arrive in full equipment or wear at a minimum gym shorts or long underwear as well as a full t-shirt (no tank tops) all of which must be in good condition and without holes/tears.

At the Pee-Wee level (11 years old) and above and for further details please refer to Supervision Guidelines – Dressing Rooms

Section 16 – SUPERVISION GUIDELINES

Dressing Room- Supervision Guideline

In addition to the development of our hockey players and enjoyment of the sport of hockey, the safety and protection of our participants is central to LMHA goals. LMHA adheres to Hockey Canada Safety Program to help protect against participant abuse, including sexual abuse, emotional abuse, bullying, threats, harassment and hazing. LMHA has adopted the following dressing room guidelines. They are designed to maintain personal privacy as well as reduce the risk of misconduct by providing a safe environment for players.

Lethbridge Arenas

LMHA utilizes seven arenas in Lethbridge. Each arena has the following combinations of dressing room, washroom and shower facilities:

Labor Club

Four Dressing Rooms with shared washroom/shower facilities.
One Dressing Room with shower sink facilities - maximum four players.

Adams

Four Dressing Rooms with shared washroom/shower facilities.

Henderson

Four Dressing Rooms with shared washroom/shower facilities
Female dressing room - first room of referees dressing room
Ice level storage room NW corner.

Civic Centre

Four Dressing Rooms with shared washroom/shower facilities
Coach room is available

Nicholas Sheran

Six Dressing Rooms - suitable for mixed gender teams

ATB Crossing (East and West)

12 Dressing rooms - 11 & 12 are designated female - suitable for mixed gender teams

Enmax

Four Dressing Rooms with shared washroom/shower facilities
Six Dressing rooms- suitable for mixed gender teams

Out of Town Arenas

Teams may occasionally or regularly travel to play games at arenas in which the dressing rooms, washrooms and shower facilities may vary from location to location. LMHA team organizers should provide information on the dressing room facilities in advance of games and advise parents and players of the procedures to be utilized. At unfamiliar arenas, coaches should plan to have extra time and some flexibility in making arrangements for players to dress, undress and shower. Prior preparation is required for co-ed teams.

Dressing Room Monitoring

LMHA has predictable and time specific use of dressing rooms and changing areas. This allows for direct and regular monitoring of dressing room areas. While constant monitoring inside of dressing rooms and changing areas might be the most effective way to prevent problems, it is understood that this would likely make some players uncomfortable and may even place team staff at risk for unwarranted suspicion.

The coach shall conduct a sweep of the dressing rooms and changing areas before players arrive. A coach or voluntary dressing room monitor can be responsible for supervision of the dressing rooms and changing areas. This will ensure only participants (coaches and players) and approved personnel are permitted in the dressing room. The team will also secure the dressing room appropriately during times when the team is not present.

Teams which have female players will be provided with 2 signs for dressing room use.

Dressing rooms in which female players are preparing for ice time are required to have a sign on the door

indicating female use only. The team will be responsible for ensuring the signs are visible at the entrance to the dressing room. If there are no signs available a female volunteer is to be present at the door at all times.

Parents in Dressing Rooms

Except for players at the younger age groups (ten and under) parents should not enter dressing rooms. If a player needs assistance with his or her equipment, the parents should let the coach know prior to entering the dressing room. In emergency situations parents will be allowed access. In circumstances where parents are permitted in the dressing room, coaches can ask the parents to leave for a short time before and after the game so that the coaches can address the players.

Co-Ed Dressing Rooms

Co-ed dressing room guidelines attempts to balance the social integration and camaraderie inherent in hockey while providing a safe and respectful environment for all participants. It is important that the privacy rights of all players are given consideration. LMHA should have the male and female players dress/undress in separate dressing rooms and then convene in a single dressing room before the game and after the game or practice. Below are options if there are insufficient dressing rooms. Based on the specifics of an arena the coach shall advise parents of the option to be utilized. Options can be initiated in full or in part depending on circumstances.

1. Establish a minimum attire policy if sharing one dressing room. All players should be required to wear their hockey base layers or shorts and t-shirts (in good condition - no holes or tears in clothing). All members of the team must have this minimum attire before entering a co-ed dressing room so that no player of one gender has the opportunity to see players of the opposite gender in a state of dress/undress.
2. Females and males change/dress in separate dressing areas, then approximately ten (10) to fifteen (15) minutes before each game/practice players are to be ready in gear in one designated dressing room so the coach can address the entire team. If a player (male or female) is not fully dressed by the time the coach arrives, then that player must go to a separate dressing room or washroom to finish dressing. The onus is on the players to be properly dressed when the coaches begin preparing the team for the practice or game. Helmets, gloves and skates are not required dress before the coaches enter.
3. Alternate use of a single dressing room. Players of one gender dress in the dressing room while players of the opposite gender wait outside. When the one group is ready, then the players switch places and the players in gear wait for players of opposite gender to get dressed. No coaching is to be done until all the players are together in full gear. Taking turns is a means of reasonable accommodation; no gender group should be favored, nor should one group be the group who always has to wait to change.

It is important that the individual monitoring the dressing room is the same gender as the players. LMHA would consider it acceptable to have one dressing room monitor immediately outside the dressing room and regularly check in on the dressing room. It is ok for a coach to be alone in all boys or all girls team dressing room.

Cell Phones and Other Mobile Recording Devices

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras are not permitted to be used in the dressing rooms. If phones or other mobile devices must be used, they should be taken outside of the dressing room. As required the team manager is permitted to collect phones.

Travel – Supervision Guideline

This travel policy provides guidelines to help minimize one-on-one interactions between minors and adults while traveling. Further, the policy directs how minor players will be supervised between and during travel to and from practices and games.

LMHA Travel Policy

LMHA has established policies to guide travel, minimize one-on-one interactions and reduce the risk of abuse or

misconduct. Adherence to these travel guidelines will increase player safety and improve the player's experience while keeping travel a fun and enjoyable experience.

The travel policy acceptance will be provided during registration. All players, parents, coaches and other adults that are travelling with the team shall acknowledge and accept the policy prior to completing the process.

We distinguish between travel to training, practice and local games as ("local travel"), and team travel involving a coordinated overnight stay as ("team travel").

Local Travel

Local travel occurs when LMHA or one of its teams does not sponsor, coordinate, or arrange for travel.

- It is recognized that in some limited instances it will be unavoidable for an employee, coach or volunteer to drive alone with an unrelated minor player. However, efforts should be made to minimize these occurrences and to mitigate any circumstances that could lead to allegations of abuse or misconduct.
- Players and/or their parents/guardians are responsible for making all arrangements for local travel. The team and its coaches, managers or administrators should avoid responsibility for arranging or coordinating local travel. It is the responsibility of the parents/guardians to ensure the person transporting the minor player maintains the proper safety and legal requirements, including a valid driver's license, registration, automobile liability insurance, and a vehicle that is in safe working order.
- The employees, coaches, and/or volunteers who are not also acting as a parent, should not drive alone with an unrelated minor player.
- Employees, coaches, and volunteers who are also a player's parent or guardian may provide shared transportation for any player(s) if they pick up their player first and drop off their player last in any shared or carpool travel arrangement.

Team Travel

Team travel is overnight travel that occurs when LMHA or one of its teams sponsors, coordinates or arranges for travel so that our teams may compete locally, regionally, nationally or internationally. Because of the greater distances, coaches, staff, volunteers and chaperones will often travel with the players.

- When possible, LMHA will provide reasonable advance notice before team travel. Travel notice will also include designated team hotels for overnight stays as well as a contact person within LMHA or the team. This individual will be the point of contact to confirm your intention to travel and to help with travel details.
- LMHA will post specific travel itineraries when they become available. These will include a more detailed schedule as well as contact information for team travel chaperones. LMHA will provide continuous supervision through coaches and other adult chaperones. If a team is composed of both male and female players, the manager/governor will arrange chaperones for both genders.
- Regardless of gender, no coach shall share a hotel room or other sleeping arrangement with a minor player (unless the coach is the parent, guardian or sibling of the player).
- Because of the greater distances, coaches, staff, volunteers, and chaperones will often travel with the players. No employee, coach, or volunteer will engage in team travel without the proper safety requirements in place, including valid drivers' licenses, automobile registration and liability insurance. All chaperones shall have been screened in compliance with the Hockey Canada Screening Policy. A parent that has not been screened may participate in team activities and assist with supervision/monitoring of the players, but will not be permitted to have any one-on-one interactions with players.
- The coach will establish a curfew when all players must be in their hotel rooms or in a supervised location. Regular monitoring and curfew checks will be made of each room by at least two properly screened adults.

- The team personnel shall ask hotels to block adult pay per view channels.
- Individual meetings between a player and coach shall not occur in hotel sleeping rooms and must be held in public settings or with additional adults present. One adult must be the same gender as the minor player.
- All players will be permitted to make regular check-in phone calls to parents.
- Family members who wish to stay in the team hotel are permitted and encouraged to do so.
- The team will make every effort to accommodate reasonable parental requests when a child is away from home without a parent. If any special arrangements are necessary for a child, please contact the team manager or coach who can either make or assist with making those arrangements.
- Group events should not occur in hotel rooms, but the team may reserve a separate space for adults and athletes to socialize.
- If disciplinary action against a player is required while the player is traveling without his/her parents, except where immediate action is necessary, the parents will be notified before any action is taken or immediately after the action.
- No coach or chaperone shall at any time be impaired by alcohol or drugs while performing their coaching and/or chaperone duties.
- A single player shall not be booked into a room by themselves.

APPENDIX B (CON'T) – COACH CODE OF CONDUCT AND ETHICS

Coach Code of Conduct & Ethics

The coach is responsible for the behavior and conduct of their team, assistant coaches and manager. Studies have shown that a coach's own behavior often solidifies itself as the identity and behavior of the team. Consequently, the LMHA has developed a "Code of Ethics" for its coaches. This is in addition to any guidelines for coaching that are expressed or implied by organizations that govern our sport such as Hockey Alberta and Hockey Canada will be deemed regulation.

The purpose of this "Code of Ethics" is to provide you with an understanding of the expectations for coaches of LMHA teams.

The LMHA understands that each coach is different in their approach to the athletes under their care and their approach and philosophy to the game. However, it is the responsibility of the head coach to establish and enforce the rules and regulations. The LMHA encourages individual/ team standards and goals to be set high so that the youth under your/our direction and care have a positive experience in a safe and caring environment that directly influences their respect for you, each other, game officials, opponents, and their love and passion for the game. All head coaches must sign this pledge before being allowed to coach in the LMHA and ensure that all members of his team, players and assistants, are aware of the 'Fair Play' principles and reflect it in their behavior at all LMHA events.

As the head coach I will:

- 1.** Never place the value of winning over the physical and emotional safety and welfare of players.
- 2.** Treat players, parents, opponents, coaches and all officials fairly, regardless of gender, ethnic background, colour, sexual orientation, religion, political belief or economic status.
- 3.** Provide an environment for my team that is free of drugs, tobacco, and alcohol, and will refrain from their use at all LMHA sporting events.
- 4.** Refrain from using abusive language and behavior while representing LMHA at practices, games and events, and will discourage players from the same.
- 5.** Not tolerate inappropriate behavior and/or actions (i.e. bullying) from player's parents or my players regardless of the situation and will immediately address and report such behaviour and/or actions to the league governor.
- 6.** Direct all comments at the performance rather than the person, including never publicly criticize officials or other coaches.
- 7.** Be responsible for my players' actions on and off the ice during events, and will not permit them to perform with intent of causing injury to teammates or opposing players.
- 8.** Co-operate with the parents or legal guardians of my athletes and will make effort to involve them in their child's development.
- 9.** Instruct players within the playing rules of the game and within the spirit of the game at all times.
- 10.** Conduct practices and games in ways that are mindful of the academic pressures placed on my student athletes and promote their academic success as being first priority.
- 11.** Treat each player as an individual remembering the large range of emotional and physical development that may exist for players on his team.
- 12.** Co-operate with registered medical practitioners in the overall management of my athletes' medical and psychological health
- 13.** Report any suspicion of sexual abuse (and other situations when a child may be in need of protection, such as neglect) to the authorities and advising the board or executive.
- 14.** Refrain from verbal or physical behaviour that constitutes harassment or abuse.
- 15.** Educate athletes about their responsibilities in contributing to a safe environment.

As a selected LMHA Coach and representative I _____, agree to the above principals and acknowledge that disregard or failure to reasonably comply, with the LMHA - Code of Ethics may result in being relieved of my privilege to coach within the LMHA and/or affiliate organizations

APPENDIX D – LMHA CRIMINAL RECORD CHECK POLICY

LMHA Criminal Record Check Policy

1. Record checks to be done on a 3 year basis for the all coaching staff.
2. Based on interview process, reference checks and past experience / knowledge of the coach, he / she are temporarily awarded a coaching position. This is contingent upon the completion of a Criminal Record Check (hereafter referred to as “C.R.C.”) with acceptable results.
3. Coach completes form (C.R.C.) and takes to Police Station to present and sign.
4. Upon receipt in mail of C.R.C. the coach delivers the ‘original’ (as we paid for it and if it were have to go to court a copy might not be acceptable) form, preferably in person to the Lethbridge Minor Hockey Office.
5. Each clean C.R.C. declaring no criminal record will be reviewed by the General Manager, dated, initialed and then stored in *a secured safe at the LMHA Office*. The coaches who have confirmed clean records have their temporary status removed and are now approved and accepted to coach for that year.
6. If the C.R.C. comes back with a conviction, General Manager will discuss it with the coach involved and arrive at one of the following alternatives:
 - (A) Coach asked to get secondary check after indicating what his/her record is for. On President and Vice Presidents unanimous approval he / she can keep coaching on a probationary basis until detailed record is received. Assuming it (C.R.C.) is what he/she told us it was for he/she continues coaching.
 - (B) Coach resigns, not willing to get secondary check and/or willing to indicate to General Manager what conviction was.
 - (C) Coach is declined a team after telling General Manager, President and Vice President what the conviction was for.

If 6 (A), then detailed C.R.C. is dated, initialed and then filed in safety deposit box.

Three years of C.R.C.’s to be maintained in *a secured cabinet*. Older years to be destroyed.
