- Group B Fitness testing - 11:30 @ Orion Sports Group
- Group A On ice skills - 1:15 @ Nicholas Sheran
- Group B On ice skills - 2:30 @ Nicholas Sheran

Physical distance sorting ice sessions

The ice sessions over this weekend are considered physical distancing sorting skates. As such, the evaluations will be skills based and there will be no contact drills or scrimmages. Please familiarize yourself with Hockey Alberta's Return to Hockey Plan which can be found by clicking [here](#).

The Alberta Health Daily checklist needs to be completed daily prior to the ice or fitness session. The checklist can be found by clicking [here](#). If you answer yes to any of these questions on the checklist, please do not come to the ice or fitness sessions. Please contact us for guidance.

Fitness testing

The fitness testing sessions will be held at the Orion Sports Group (212049, Township Road 81A, Lethbridge County). The player will need proper dryland attire and a water bottle for the fitness testing.

Check in and jersey pick up

There will be a table outside the entrance of Logan Boulet Arena for sign in and jersey pick up 45 minutes prior to the session. Please keep the jersey until after the final evaluation skate. There will be a bag in the dressing rooms for jerseys to be placed into after the last ice session.

Shyla Stadnicki	403-504-6246	shy.stads@gmail.com
Amanda Finke	403-928-3537	amanda.finke@ebtca.com

Arrival time and dressing rooms

Dressing rooms are now open for players at Lethbridge Arenas 15 minutes prior to the ice time. We ask that the player comes at least partially dressed for the session. Reminder that players will require masks until they are on the ice.

Spectators

The City of Lethbridge is now allowing 50 spectators inside the arena. Please follow signage as there will be a designated area for seating. Please note that masks are required in the buildings at all times and social distancing is required. With the spectator limit, we ask that only a maximum of 2 spectators per player enter the building.

Player releases

Player releases will occur after the final ice session and the and group moving forward in evaluations will be posted Monday evening.

See you at the rink soon!
