- Servus Sports Centre has AED's located at both fields and first aid kits in referee boxes.
- There is also a First Aid room on site.

On field Medical Distress:

- Injuries occurring that require on-field medical attention will not result in additional "make-up game time" being allocated.
- If there is a serious injury that occurs in the first half and results in a stoppage in play for more than 10 minutes the Program Director, in consultation with the referee in Chief, will determine how the result for that game will be determined.
- Where game time remains greater than 10 minutes game play will resume with the final score determining the outcome.
- Should the score be tied, and game play can resume with less than 10 minutes remaining on the clock coaches may elect to go to penalty shots to determine a winning team.
- If less than 5 minutes remain on the clock the Penalty Shoot-Out is not an option and game play will resume until time runs out.
- Should one coach wish to play out the remaining time whereas the other coach desires a penalty shoot-out, a flip of the coin by team captains will resolve the issue.
- Where resolution requires a coin flip the referee will request tournament officials oversee the coin flip.
