**U4-U6 Timbits:** An introduction to soccer. All sessions ran by LSA Staff Coaches, with activities based around players exploring the soccer ball and getting comfortable with an invasion sport. Some small sided scrimmages may be played, but this environment is purely about the players gaining their first touches of a soccer ball.

**U7-9 Fundamental:** Individual development is paramount by building a love of the ball. Sessions will challenge players creative side as well introduce them to skills needed in the game such as dribbling, passing and shooting. Scrimmages will be played, but no scores will be kept, and all players will be asked to experience all positions of a soccer match (goalkeeper, defender, midfielder, striker).

**U11-13 Learning The Game:** This age is classed as 'The Golden Age Of Learning' where skills learnt in the earlier stages are now enhanced as well as an introduction to the tactical side of the game. Scrimmages will be played and although scores will be kept during the game, coaches and players are asked to keep games meaningful, competitive and to avoid blowouts at all costs. There will be no league standings.

**U15-18 Excel In The Game:** Utilizing the technical understanding and tactical skills learnt in the previous three phases to excel in the game. Like the previous 'Learning The Game' phase, coaches are asked to avoid blowouts and keep games competitive throughout
