

2021 - 2022 LDSA Annual General Meeting (AGM)

President's Report

Thank you all for attending the 2021–2022 LDSA Annual General Meeting. I would like to take this time to give you a quick overview of the past year and an update on our plans going forward.

2021 Outdoor Season & 2021-2022 Indoor Season

This year we were able to have a ladies' league for the outdoor and indoor seasons. Due to Covid-19 restrictions, we implemented changes to our rules and followed all provincial testing & vaccination policies to keep our members safe. Guidelines were constantly changing as the pandemic progressed, so it was a challenging time for both players and board members. Thank you all for your patience and understanding.

2022-2023 Plans

Over the past two years, our membership has declined, and we've had difficulty retaining referees through the pandemic. Therefore, our focus will be on re-building our leagues and gaining membership this year. We will also be looking to provide referee training courses and recruiting new referees where possible.

We recently kicked off our outdoor ladies' league, which consists of five teams. We would like to promote friendly competition and respect amongst players, as well as towards referees, this season. This will help with player and referee retention within the league and ensure everyone is enjoying the sport.

I would also like to take this time to let everyone know that I will be stepping down from the Board this year. It's been a pleasure being a part of this organization as both a player and Board member. I've learned a lot and built lasting friendships as well. I wish the association nothing but success in the years to come.

Sincerely,

Jordyn Lavallee

LDSA President
