COVID-19 UPDATE

As you are all aware the rules, guidance and restrictions pertaining to COVID-19 have been changing daily, in both Alberta and Saskatchewan.

As things continue to evolve surrounding COVID-19, LMHA would like to provide some guidance based on the September 15 announcement from the Government of Alberta and the September 16 announcement from the Government of Saskatchewan. LMHA also receives guidance from Hockey Alberta, our governing body for Minor Hockey in Alberta and the City of Lloydminster who manages our facilities. As always, we appreciate your patience and understanding as we try to understand the full impact of the recent announcements.

Guidelines to follow:

- If your child is experiencing any symptoms do not allow them to participate in any LMHA activities
- Isolation directives apply to all activities, even if it was mandated through the school
- Before traveling to another community, find out what their local restrictions and guidelines are
- As per the Government of Saskatchewan restrictions that went in to effect today, September 17, the City of Lloydminster has reinstated masking guidelines in their facilities
- Youth under 18 years old, need to wear a mask, except while engaged in physical activity. Their mask is required to be worn until they put on their helmet. They do not require a mask on the bench or on the ice.
- Coaches and team officials are required to wear a mask on the player's bench. Off ice officials are also required to wear a mask in the time keeper and penalty box areas
- Consult both Government websites often to be aware of any changes to the current restrictions, guidelines and health orders.

Please Note that your child will not be penalized for following Saskatchewan Health isolation directives, Government of Alberta Public Health measures or any other restrictions that prevent them from participating in LMHA activities.
