Welcome Managers!

Firstly, we would like to take a minute to personally thank you for taking on the role of Manager for your child's team this season. We as staff and board members appreciate your dedication to our association and look forward to working with you this season.

To help you get your team up and running we thought we would highlight a few items that need to be handled right away to help your team start the season off successfully.

- Mark your calendar for the coach and managers meeting!
- Contact your director to arrange an equipment pick up time
- Contact ice@lloydminsterminorhockey.com for your practice ice times
- The RAMP log in you were given by the director (or coach) is where you will find your players contact info
- Update your RAMP homepage with your coaching and management staff information
- Review any information under the "Coaches & Managers Corner" tab on the LMHA website
- Book a parent meeting after one of your teams first practices to help secure some volunteer roles (time keepers, pictures, jersey parent, ect).
- Start looking into tournaments and book your team photos asap!

If you at any point during the season are struggling with communication, parents, players, fee collection, or anything else that may come up please contact your division director or the office for assistant. We are here to help make this the most successful year for your team on and off the ice.

LMHA Board and Staff
