U7 ARENA GUIDELINES for GAMES

General Information:

- **Players** enter the Civic Center arena dressed and will proceed to their assigned drop off area. Players must wear a mask unless they are wearing their Hockey helmets. It is encouraged to bring players to the rink with skates on and skate guards on.
- **All parents / Chaperone's** that are accompanying their child should try to maintain physical distancing and **Must** wear masks. Once the player is ready for their on-ice session the Parent / Chaperone needs to leave the drop off area.
- **Dressing Rooms:** No dressing rooms will be used. There will be Player drop off areas for the Players on the South and North sides of the rink.
- **ALL Coaches, on ice helpers and team staff** can get ready with their team in the assigned drop off area.
- **All Coaches, on ice helpers & team staff** should try to maintain physical distancing and wear masks in the drop off area. Masks must also be worn on the bench and on the ice if Physical Distancing cannot be maintained. There is room in the cohort numbers for the players only.
- **Spectators** LMHA is allowing 2 (two) spectators per player. Please note that this would not have been possible if the City did not increase our spectator numbers last week in the new guidelines. South teams use the South side spectator viewing area and the North teams use the North side spectator viewing area. Do not at anytime crossover the barrier. **For example** - Males in the South spectator area can not cross the barrier to access the Men's washroom downstairs. In this example access the washroom upstairs.
- **Parents** will meet the players in the drop off area after their session. Parents and Players will then need to exit the arena.
- **Arena Flow:**
Game 1 at 7 AM - the parents and players enter on the South side of the arena and take the stairs down to the drop off area. Players are being dropped off dressed on the South side of the barrier, down in front of the Bobcats dressing room and in the bleacher area. Coaches will lead the players out onto the ice through the West gate in their drop off area. After the session the players will exit out the South gate by the penalty box and proceed through the South Tunnel to their drop off area before exiting the building with their parent / chaperone.

Game 2 at 8:30 – the parents and players enter on the North side of the arena and take the stairs down to the drop off area. Players and Coaches stay on the North side of the barrier and in the bleacher area. Coaches will lead the players out onto the ice through the West gate in their drop off area. After the session the players will exit out the North gate by the players box and proceed through the North Tunnel to their drop off area before exiting the building with their parent / chaperone.

Game 3 at 10 AM – Enter on the South side. Please follow game 1 arena flow guidelines.

Failure to comply to the rules and guidelines will result in LMHA Discipline. Your spectator privileges could be revoked at any time for non-compliance.

If you witness or have any concerns with any incidents regarding non-compliance please contact LMHA through the Member concern feature on the website.

We appreciate all of OUR MEMBERS commitment to adhering to the noted guidelines.
