**Zone Reports:**

- Goalie exemptions the same as previously – have pictures of what does not fit not what fits, send to Gord McIntosh
- Clinics are getting set up now, can not do two levels in the same year

- There was discussion from the coached association that the clubs must discipline their coaches on abuse of officials or can be fined
- There are no official ceremonies at the provincials any more
- Island approved to have their teams play at place and push for the Novice
- Lower mainland was taken to a vote to have their teams play at place and push
- Tournament page will say if follows island rules or otherwise, same with tyke teams

### **Female Report**

- Discussion on combining teams – but has been put on hold
- If there are 7 to 8 players then should be willing to combine but one association will need to release
- Would need to combine with one associations for girls
- Could it be different for each age group for the associations
  - Le Langley/Surrey for Midget Langley/Abbotsford for Bantam
- Female needs to be a completely separate discussion
- Females voted to keep the ceremonies

### **Coaches –**

- Clinics out, don't wait they will fill up fast
- There is no level 2 yet in the lowermainland
- Coaches that did not attend clinic last year but were on form 100 will not be permitted on the bench until they complete a clinic this year, there is a huge list of coaches and it will be sent out to association
- Coaches that do not attend clinics that they sign up for will still be billed, but will still need to attend another one to be on the bench

### **Officials –**

- Doug representing for Mike
- Letter out on Monday to the head referee and some presidents
  - Took the place of a meeting before the clinics began
- Meeting planned for March 14<sup>th</sup>
  - preseason training
  - onfloor training
- Clinics will be over by then last one will be on March 10<sup>th</sup> finish early due to spring break
- Can discuss additional clinics if necessary – will be a catch all clinic in Mid-May for referees coming back from school

- Allocators are struggling to find referees from Midget and Bantam – to the extent that it is possible to see if you can work out so that your Midget referees are available on your allocated nights.
- Hosting all of the minor nationals – and hosting two provincials in the lowermainlands
- Never get enough applications for these events and the process is very simple for them to apply
- Another head referee meeting in the Middle of May to discuss issues and to bring forward the applications for provincials and nationals
- Will need someone that can help with on floor training but the head referee can be administrative
- Recruit from other sports such as basketball and hockey
- Abuse of officials – have no new initiatives, coaches have asked officials to be a little more transparent to the officials – clubs need to discipline their officials and coaches

- Can take it to the minor directorate if we choose to allow teams to join together
- We can make agreements to release all of the players to one associations
- For boys it is to make an extra team- not make a stronger one team
- To build joint teams we will give arguments allow this to happen
