Officials Report:

- Clinics are going well. Pre-clinics are proceeding well. We will most likely need to add some clinics for those who were unable to attend or due to late registration.
- The on-floor clinics are going well too since they happen the same day so there is no follow up needed.
- Officials must do the online pre-clinic, attend an in-class portion, an on-floor portion and then an exam.
- Once the last clinic has past, any officials who have not completed all portions of the requirements will be marked inactive and will no longer be able to officiate this season.
- Allocators and Head Officials have been given access to the google spreadsheet with all the details of who have attended a clinic, completed the pre-clinic and the exam so they can follow up with the officials.
- Dallas is doing the allocation for the Saturday of the U11 tournament
