Information regarding registration fees:

- Any new ringette player, U10 and above, will receive a \$200 discount from the above stated fee.
- As there is no London tournament this year, fees have been reduced to reflect that entry fee.
- Included in registration fee is the year end event entry fee (provincials/regionals).
- Registration includes a lottery fee. There will be an opportunity to recoup some of your fees through a cash calendar that we will share more info on shortly.
- Players can expect to have 2 ice times per week; generally, one practice and one game.
