- Included in registration fee is the year end event entry fee (provincials/regionals).
- Registration includes a lottery fee of \$125. There will be an opportunity to recoup this fee through a cash calendar that we will share more info on shortly.
- Players can expect to have 2 ice times per week; generally, one practice and one game.
- All returning players that paid full fees last season will get a \$50 credit. Please note that new players in the Fun1/Fun2 program last year only paid the Ringette Ontario fees and are not eligible for this credit.
- Registration is due August 15, 2022. After that date, there is an additional \$100 fee required. (Not applicable to new players or Open A players)

NEW THIS SEASON:

- **ALL PLAYERS (including 18+) will pay Ringette Ontario directly for their membership fees, dues and insurance.** This step will be incorporated within RAMP when you register with your HOME association. For the 2022/23 season, the Ringette Ontario cost is \$56.50 for all U10 and older players and \$43.50 for all FUN1/FUN2 players. This cost was previously incorporated in the club's registration fees. Once you have paid Ringette Ontario, you will settle the remainder of your program fees with LRA (or if you are playing with different association this season, you will pay the remaining program fees direct to the HOST association).
- **ALL PLAYERS UNDER THE AGE OF 18** - Ringette Ontario is announcing that one parent of every ringette player under the age of 18 is required to take the **Respect in Sport Parent Program** before participating in ringette programming, starting in the 2022-23 season. **This course is mandatory** to have the Player's registration approved. It is advised that you complete the Respect in Sport for Parents module PRIOR to registering for the 2022/23 ringette season so that you can include your certification # on the RAMP registration site when you register your athlete. For more information, [CLICK HERE](#)
- **U19 and YOUNGER PLAYERS** - All players are to register with their HOME association, regardless of where they will be playing in 2022/23. For those playing with another HOST association this season, the LRA Registrar will transfer your account once you have completed your registration.
