

Director – Competitions (AGM Report for 2024-2025 Season)

Congrats to all who participated in the inaugural season of LORL. There were many ups and downs and things learned but many thanks to all the reps who sat through meetings and reading all the emails, all the coaches who put their time (some sweat and tears also) into making it a great season of ringette for our players and a huge tank you to the executive and our division convenors. There were again many things we learned and will continue to improve on for next season as we have a dedicated group working together for the membership.
