Information for Booth Leaders and Workers

IMPORTANT NOTE:

Changes to the scheduling of the booth workers. Information highlighted below.

The booth week is Friday - Thursday for the 2025-2026 season unless otherwise posted due to closure of the rink.

Percentage of workers for the longer weeks works out to be the same as a standard week.

Ensure you get the float and booth key to Saturday morning worker.

Hours of Booth Operation

Monday - Friday	3:45 pm – 7:45 pm
Saturday	9:00 am until the last team has left the rink.
Sunday	9:30 am until the last team has left the rink.

Please note: When a game or event is occurring, the booth will remain open until the event has concluded or both teams have left the rink. The booth does not have to remain open for recreation hockey but needs to be open for public skating.

- If you are unsure whether you should stay open or close early due to slow activity – always stay open!
- Workers during slow periods can stock supplies, wipe down appliances, cupboards, walls, organize drawers, roll coin etc.
- Volunteers run this booth – the more we can accomplish, the easier it is on everyone!
- If there is a break between games send all but one booth worker home until half an hour before the next game.
- Only one adult family member is required to work each shift most of the time but during a busy week it may be necessary to have two family members per shift.
- All workers must be 16 years of age. No person under 16 years of age is to be in the booth at ANY TIME no exception!
- Workers under the age of 18 must be accompanied by an adult. You must be 18 to open and close the booth.
- A minor hockey/figure skating parent is required to pick up or drop off the float.
- If you are sending a family member to work your shift, they must be willing and capable of doing all jobs in the booth.

For the 2025-2026 season the schedule will be done by the coordinator and sent out to the workers no later than 1 week prior to your scheduled week. Please keep in mind that there could be last-minute changes to the schedule, but the coordinator will give as much notice as possible. The coordinator will try their best to ensure hours are distributed fairly throughout the week however, sometimes this is not possible.

Coop Pick Up

- The Coop order of cinnamon buns and other good will be ready and need to be picked up **FRIDAY after 2pm**. Please check the schedule to see who is responsible to picking this up.
- The order will be charged to the booth at the time of pick up.

Booth Float

- Money bag is to be grabbed each **weekday** from the Credit Union. On weekends, one of the workers will be scheduled to take the float and key Friday and Saturday nights.

Hiring out of Shifts

- If you are hiring out your shift, it is your responsibility to ensure your worker is aware of the schedule and any duties assigned.
- There is no set wage for hiring out your shift so when hiring out your shift ensure that whomever you hire is capable and willing to perform all booth duties.
- **Booth duties are posted in the booth.**
- A list of booth workers for hire will be attached.

IT IS YOUR RESPONSIBILITY TO FIND A REPLACEMENT. IF YOUR SHIFT IS NOT COVERED AND THERE IS A NO SHOW, YOU WILL BE FINED \$35 PER HOUR FOR EVERY HOUR NOT WORKED.

Please note: We are a public food service, and it is important when working the booth that you follow proper hygiene procedures and be dressed appropriately. People watch you prepare their food so appropriate handling of food is essential.

In addition to your booth week, each family will be expected to work a special event (such as the bones weekend or other fundraiser) approximately once every two years. You will be contacted prior to the event you are scheduled to work.

Macklin Minor Sports/Macklin Skating Club are not responsible for any injuries that occurred in the booth. Thank you for your continued cooperation and volunteering!
