Hello everyone!

I just wanted to touch base on a few things with the booth this year. Our main goal is to have everything run as smooth as possible. The Booth is run by MMHA. If there are any changes that you feel would make the booth operation more efficient, please reach out to us. We don't want changes to be made in the booth unless there is permission from Joy Volk or Myself. This is solely to ensure there is no confusion for anyone that works a shift. Please make sure all booth policies are followed. The policies are posted on the wall. There is a debit machine this year. The machine is fairly straight forward, but if you are needing instruction on how to operate it, please reach out.

Thanks
Curtis Gette
