MISSION STATEMENT - OBJECTIVES

Mission Statement

“Lead, Develop, and Promote Positive Hockey Experiences in a Fair Play Environment”

The five basic principles of Fair Play

1. RESPECT THE RULES.
2. RESPECT THE OPPONENTS.
3. RESPECT THE OFFICIALS AND THEIR DECISIONS.
4. HAVE EVERYONE PARTICIPATE.
5. MAINTAIN YOUR SELF CONTROL AT ALL TIMES.

Fair Play

- Does not change any rules of the game.
- Encourages all players to be as competitive as possible but within the rules of the game.
- It is introduced to promote SAFETY and RESPECT, and a positive environment in minor hockey for participants involved.

Fair play does not apply

- If the participant does not put reasonable effort into showing up for practices, games, contributing a consistent and reasonable effort to team play, etc.
- If the participant is disrespectful on or off the ice, has a bad attitude towards the game or other participants.

The four main participant groups are; the players, the coaches, the officials, and the parents (spectators). How these four groups interact at any game determines how positive or how negative the environment becomes.

 - A Team practice during their ice slot has precedence over an exhibition game by another team in another division. (I.e. Midgets would like to practice during their game time on a Saturday and Atoms would like to book an exhibition game, Midgets would have precedence due to it being their ice time).
 - Shiny ice will only be used as a last resort and would need permission from MMHA for booking.
 - If a “carded” team roster is made up of all MMHA registered members and all of the members of the respective age group have been given the

TEAM POSITIONS

HEAD COACH

Responsibilities:

- Have pre-season meeting with assistant coach(s) & manager to outline and discuss plan and set goals for upcoming season.
- Conduct pre-season parent meeting outlining what your plans, goals & expectations are for the group during the upcoming season. It is important to discuss the “team” rules that you will be expecting all players and parents to follow. Discuss the need for volunteers to help with the various jobs on the team. I.e.: ref coordinator, driver scheduler. The number of games & tournaments you plan on playing should be discussed early in the season so all parents are aware of dates that need to be kept open and the amount of commitment needed during the upcoming season.
- Build season practice plan. This can be done on a practice by practice basis but it is very helpful and important to come to each practice session prepared on what you are going to work on at your practices. We encourage the use of Hockey Canada’s coaching books to help plan your practices. They are available for all age groups.
- At the first practice it is important to discuss the plan & goals you have for the season with your players. They all need to know what your expectations are and what the rules are going to be. It is important that after you lay out your expectations and rules that you be consistent with every player throughout the whole year. Setting “team” goals can be a positive motivator for all calibre players.

- Attend league scheduling meeting with your manager to schedule your team's league games for the season.

*****THINGS TO CONSIDER*****

- Depending on age group it is important that every player experiences the different positions throughout the season.
- Having 1 on 1 communication with each player a couple times throughout the year can be beneficial for both the player & the coach. You may find the player to be more open to talk with you during 1 on 1 time.
- Ensure that each player (no matter their skill level) has a positive and fun experience.
- Remember that as a leader of a group of kids you are not only teaching hockey skills but skills that will help them deal with situations off the ice as well. Be a positive influence.
- Remember that referees are learning as well and will not be perfect. We need to be respectful and supportive of them.
- Remember that as a coach in MMHA you are representing our organization and our community and all actions you portray are a reflection on our organization.
- MMHA has asked that if you are volunteering to head coach a team that you only head coach 1 team per year. It would be too much for one person to head coach more than one team nor would it be fair to the team.

ASSISTANT COACH

Responsibilities:

- Help the head coach build practice plans for the season. Understand the practice plan and the drills that will be ran during practice. You should be fully aware each practice of what the head coach wants to work on & how each drill will be ran.
- Discuss and understand the “team goals” that the head coach has laid out for the year and how you can play a positive role in accomplishing these goals.

- If the head coach is not able to attend a game you may be required to assume the head coaching duties. You will need to be familiar with the head coaching duties on game day. Communication with the head coach prior to the game is very important.
- In this supporting role it is your responsibility to be committed to the team and the other coaches and try to attend as many practices and games as possible.

******THINGS TO CONSIDER******

- Remember that referees are learning as well and will not be perfect. We need to be respectful and supportive of them.
- Remember that as a coach in MMHA you are representing our organization and our community and all actions you portray are a reflection on our organization.
- As an assistant coach you are also responsible to ensure all players are having fun. At times some players may feel more comfortable to approach you with questions or concerns. This is fine but it is important that you openly communicate with the head coach all player questions or concerns.

MANAGER

Responsibilities:

- You are responsible for the care & control of both sets of team jerseys, the goalie equipment & the first aid kit for the whole season.
- Attend league scheduling meeting with head coach to schedule upcoming season's games.
- Communicate tournament weekend, league games, and exhibition games with referee coordinator as soon as you can at the beginning of the season. (It is important to communicate any changes throughout the season in a timely fashion.)

 - Prepare a phone list for all the kids & parents on your team. Included in this list could be: home, work and cell phone numbers and email addresses.
 - Report and forward all game sheets to the MMHA President where a Team Official is ejected from a MMHA official game.
 - All Managers are required to take MMHA website training to enable them to keep the site current for their specific team. This includes, team roster, team schedule, player stats, team news and pictures that will take place throughout the season.
 - **MANAGER RESPONSIBILITY TO PAY “OUT OF TOWN” REFS**
 - With out of town refs please ensure that when you are paying refs you are clear on how to fill out the paperwork. This information is also posted on the wall in the ref room.
- #1 - Fill out game sheet.
 - Fill in amounts that you are paying the ref with travel broke out.
- #2 - Fill out the “Out Of Town Receipt” with all the proper amounts

#3 -The out of town receipts are taken to the booth and the ref is paid from there

-The out of town receipt goes into the booth cashbox.

-The Treasurer will do up the nightly deposit and account for that money.

The Treasurer then will forward the receipt on to Peter where he matches up and staples to the initial game sheet. That is the only way we can accurately track these costs and our Treasurer can account for this money

THINGS TO CONSIDER

- When rescheduling games or practices and if you are trading ice times with another MMHA team you need to remember to include all parties involved such as the other teams coach & manager and the arena board scheduler.
- Keeping players and parents informed is important. Emails, phone calls & direct conversation will ensure consistent communication throughout the whole team.
- Following up with parent volunteers to make sure their specific role or job is being completed will help your team run smoother.
- Remember that referees are learning as well and will not be perfect. We need to be respectful and supportive of them.
- Remember that as a manager in MMHA you are representing our organization and our community and all actions you portray are a reflection on our organization.
- MMHA has asked that if you are volunteering to manage a team that you only manage 1 team per year. It would be too much for one person to organize with more than one team nor would it be fair to the team
- Also keep in mind when your team is picking jersey numbers that the lower numbers are the smaller sizes and the higher numbers are the bigger sizes

TRAINER/SAFETY

Responsibilities:

- Must have SHA Safety Training.
- Maintain accurate medical information file on each player.
- Maintain fully stocked first aid kit as per Saskatchewan OH&S Level #1.

TEAM TOURNAMENT COORDINATOR

Responsibilities:

- The date is generally set at the coaches meeting at the start of the year, please try to stick with the date, rescheduling once the weekend is picked can be very difficult.
- Inform the arena manager when the tournament is taking place and provide him with all necessary information.
- If for some reason the tournament must be canceled please provide significant time for rescheduling of available ice.
- MMHA donates \$300 to act as a starter fund for the tournament.
- MMHA Registrar must be notified when the tournament is being held so that a tournament sanction number can be obtained from SHA which has to be posted for everyone to see (lobby on the information board).
- The suspension form that will also be provided by SHA must be attached to the score sheet clip board for the duration of the tournament.
- MMHA Referee coordinator must be made aware of the tournament. Referees are to be paid by MMHA and the Tournament committee will pay MMHA. You could pick a member of your committee to look after the lining up of the referees.
- Must supply 3 additional booth workers for the tournament.
- Advertising/food bank with local team/teams having picture in the paper.
- Provide 50/50, time clock, and raffle table workers

- If you are have a raffle table at your tournament you need to provide prizes for raffle table – Non-Chamber of Commerce businesses can be approached for donations.
- All money raised must be turned over to a MMHA Representative, with an exception of \$150 which is to be left in your teams account. Any money over the \$150.00 can be used to pay the entry fee to enter other tournaments throughout the season. If at the end of the season there is more than \$150.00 remaining, it must all be turned over to MMHA.

*****THINGS TO CONSIDER*****

- The best way to handle this position, once your team and coaching staff has been decided, as the Tournament Coordinator, call a parents meeting, have a sign-up sheet with all the jobs that have to be looked after posted and encourage them to fill in where ever they want to help. If unresponsive you can then delegate

positions to them and if they would like to switch they can do that amongst themselves.

TEAM REF COORDINATOR

Responsibilities:

- A current list of referees will be provided to all individual team coordinators by the MMHA.
- Utilize local referees as much as possible. We do not have to pay mileage for Macklin-based officials.
- MMHA wishes to develop our own referees. Utilize them all equally. It does not benefit MMHA if the same referees are continually used while others do not get used at all. This practice will cause kids to quit officiating.
- Schedule one referee and two linesmen whenever possible for all games regardless of the age category. This encourages our young officials to officiate a game in the best possible situation and develops proper positioning, mentorship and teamwork.
- Referees should be two age categories higher than the game they are to officiate i.e. Bantam aged referee for Atom age game. Linesmen should be at least one age category higher than the game to be officiated.

******THINGS TO CONSIDER******

Remember that referees are learning and will not be perfect. We need to be respectful and supportive of them.

TEAM TREASURER

Responsibilities:

- Have signing authority updated on team account at Macklin Credit Union Ltd. All cheques issued must be signed by team treasurer and one other team parent.
- Deposit all monies collected from sponsors, fund raising events and tournament entry fees from visiting teams.
- Issue receipts for home tournament entry fees and donations.

- Collect and submit entry fees for away tournaments.
- Responsible for payment of all team expenses for the year, including all expenses for hosting home tournament.
- Request \$300 from MMHA Treasurer approximately 1 month prior to hosting team tournament.
- At end of season, at the discretion of the team, any monies paid by parents as tournament entry fees may be reimbursed from the team account. Team treasurer shall issue repayment.
- At end of season, all monies exceeding \$150 must be paid by cheque to MMHA and submitted with a brief financial statement.
- All income and expenses must be accounted for so you must filter all of it through your respective team's account that MMHA has set up for you. All bank statements will be mailed to MMHA, Box 807. The MMHA treasurer will then monitor the account activity and forward the statement to each team's respective treasurers.
- Each team must have a treasurer in place by Nov 1st of each season and report the individual to the MMHA Treasurer.

REGISTRATION / REFUND POLICY

Registration will take place every year at the AGM Meeting where the fees will be passed for the upcoming hockey season.

New Active Members to the association will be required to submit a deposit for both bingo & booth coverage in the event that the new Associate Member fails to volunteer. These deposits will be returned to the Associate Member when they no longer have an Active Member in the M.M.H.A. One deposit per family will be required.

All Active Members will be required to sign a Privacy Policy and Consent Form.

In the event of a late registration (when registration form is received after the scheduled registration night) there is a nominal late registration fee. Then after Sept 30 MMHA will

not accept any registrations. MMHA will only accept registrations from new people to the community.

All registrations / refunds will be considered on an individual basis.

ARTICLE #10 FUNDRAISING POLICY

MMHA requires Associate Members to fund raise throughout the year to keep costs at a minimum. These include both Association and Team Fundraisers. These Fundraisers can change from year to year based on membership, costs, tournaments, events, etc. All Active Members will be required to participate in all MMHA and/or Team Fundraisers.

ARTICLE #11 BOOTH POLICY

Associate members are required to work 1 week in the Macklin Arena Booth as part of their yearly fees to the Association as well as may be required to work an additional “special” event throughout the calendar year. Associate Members will be required to follow our Booth Worker Guidelines.

Every year the Booth Coordinator selects one person each week to be the “Lead” Booth Worker in charge of creating a booth worker schedule for the week. As the Lead Booth Worker, your job is to divvy up the hours of the Booth according to the Booth Guidelines.

Booth Guidelines:

The Booth must be open for regularly scheduled rink days. If there are games or other scheduled events, the booth is open until both teams leave or the event is over.

The booth shall remain open until all posted minor hockey, figure skating, public skating, and other special events are over. The booth does not have to remain open for recreation hockey. If you are unsure whether you should stay open or close early due to slow activity..... always stay open! Extra cleaning and organizing can be done (fill shelves; wipe down appliances, cupboards, walls; organize drawers and shelves; roll coins, etc.). This booth is run by volunteers – the more we can accomplish, the easier it is on everyone!

It is required that only one adult per family work unless both agree to work. If there are many games scheduled on a weekend, more than one family member may be needed at one time.

No person under the age of 16 is allowed in the booth AT ANY TIME. This applies to everyone! No person under the age of 18 is allowed to work in the booth unless accompanied by an adult, they also can NOT open or close the booth alone, or handle the money bag. The money bag should be preferably handled by a minor hockey/figure skating parent.

If you are hiring out your shift, it is your responsibility to let the booth group leader know in advance. The wage you pay is to be determined by yourself and the one hired. Please make certain they are aware of their duties as your replacement. They are to be available for all jobs. There are notes posted in the booth and on the wall by the booth schedule. There is a list of workers available for hire posted in the rink by the schedule or on the MMHA Website.

Please note that we are a public food service, therefore, common sense rules apply.

Clean clothes and proper hygiene are a must.

People are watching you prepare their food so appropriate handling of food is essential.

You MUST find a replacement if you cannot work your scheduled hours.

If you do not work, you will be fined a nominal amount determined by the MMHA.

MMHA and Macklin Skating Club are not responsible for any injuries that occur in the booth.

Number of workers required per event:

Event	# of Booth Workers Required
Minor Sports Hockey Games (Initiation through Midget) & Skating Carnival Day	4
Senior Mohawk Games	4
Hockey Practice & Figure Skating	1
Hockey Tournaments & Figure Skating Test Day	2 (hosting group provides 3 workers as well)
Provincial Hockey Games	5

Events are posted two weeks ahead of time on the screen at the arena (check daily for changes when scheduling your week). Note that we have a website “macklinminorhockey.com” that you can check for updates.

When making your schedule for the week, please try to give workers at least one week notice of their hours. We are aware that hours may change at the last minute but giving as much notice as possible keeps all the volunteers happier. Make each workers’ hours as even as possible.

If you have any questions with regard to the booth scheduling, please call the Booth Coordinator at the numbers listed on the MMHA website under “Contact Info.”

ARTICLE #12 BINGO POLICY

Associate members are required to work the Macklin Community Bingo as part of their yearly fees to the Association. Bingo Worker Guidelines:

- Workers are not allowed to play Bingo on their scheduled night to work.
- Six people minimum are required to work the floor to sell Bonanza and Wild card bingo papers, to sell Nevada tickets and to confirm winners.

- Bingo workers are to arrive at the Macklin Communiplex at 6:00 p.m. and are required to remain there until Bingo ends and the Communiplex is cleaned up.
- Your name will be checked off at the Bingo when you show up for work. If you have traded and are working for someone, please make sure this is noted and marked on the worksheet at the bingo.
- Failure to show up for your shift will result in a fine as set by MMHA at the beginning of each season.

All members of the SHA community and MMHA should remember to use the same discretion with social media and networking as they do with other traditional forms of media. Should the identity or image of any member of the MMHA or SHA Community be used in social media and networking with the individual, Team or Association Authorization, this is considered to be identity theft. Please notify the SHA Office immediately. Any use of player or team member's image or likeness without the written consent of MMHA and or SHA is strictly prohibited.

Player Affiliation Policy

Regular Season

Regular season is defined as any league, exhibition, or league playoff games.

An exception to the Affiliation Policy will be made for Exhibition games **ONLY** once SHA has approved the Provincial roster and before regular Provincial draws begin. This is put in place so that a coach can organize "Provincial Exhibition" games to prepare their respective team for SHA Provincial Draws.

Midget and Bantam- 15 skaters or less-you have the choice to affiliate players at the beginning of the season. Only can call affiliates up if you have less than 13 skaters to a maximum of 13 skaters.

Peewee

Regular Season League & Exhibition -13 skaters or less you have the choice to affiliate.

Only can call affiliates up if you have less than 10 skaters to a maximum of 10 skaters

League Playoffs- Can affiliate up to 13 skaters

Atom – Down- 13 skaters or less you have the choice to affiliate.

Only can call affiliates up if you have less than 10 skaters to a maximum of 10 skaters.

Affiliating a Goalie- If you only have ONE goalie you have the choice to affiliate.

#of Affiliates

When affiliating you must affiliate all “Second” year players from the level below and divide them evenly amongst both teams. This will allow for more coverage if one team is away playing hockey and one team is at home. The decision on which “Affiliate Player” is brought up to play will be decided by the Head Coach of the older age group.

Practices

Players-Follow the same affiliation rules as you do for games. With the exception that you can call up an affiliate for practice if you know you will be using them for an upcoming game.

Goalies- Can practice if there is only one goalie, but this is at the Coaches decision.

Provincials

NO Affiliates to be used. The team must be made up of players from the respective age group.

Exception to the rule will come into play if the particular age group does not have enough skaters to fill the carded numbers for a provincial roster you may affiliate up to the 17 + 2.

Player Release Policy

MMHA will release any Macklin Minor Hockey Player to play at a higher caliber, or as deemed by MMHA a better level of hockey. The player must have a written release form from the MMHA President or Designate before leaving to another organization.

Transportation Policy

It is the sole discretion of MMHA Team Officials to organize and fund all modes of transportation to and from all official games and tournaments.

All and any players registered to a particular MMHA team are NOT permitted to transport themselves or other players to and from out of town games. An acceptable means of transportation is a parent, grandparent, uncle/aunt or legal guardian (>19 yrs. old) of any one of the players is permitted to transport team members.

MMHA will help fund up to \$1000.00 per team for Provincial Play Down transportation in the form of a bus once a team has to travel more than 300 kilometers one way. This policy would apply to all SHA Provincial games regardless of round being played.

MMHA has the right to opt out of this policy at any time without notice.

Anti-Bullying Policy

The Macklin Minor Hockey Association (MMHA), as an active participant in the Saskatchewan Hockey Association and Hockey Canada, has adopted its own anti-bullying policy. We consider bullying to be behavior ranging from verbal teasing to physical aggression. It is our position that no amount of bullying is acceptable. Not all joking or horseplay is bullying, but when the intent or effect is to cause distress, repetition of such behavior is bullying and will not be tolerated.

Physical bullying can include but is not limited to; pushing, hitting, or kicking a person or interfering with their property. Verbal bullying is the use of words or gestures to hurt or humiliate another person, including name-calling, racial or derogatory insults and teasing. It is the responsibility of everyone to stop bullying. If you are being bullied, or know of someone being bullied, you must tell parents, a coach(s), manager or a member of the MMHA Executive as soon as possible.

If a person involved in MMHA (and this includes players, coaches, managers, parents and volunteers) has taken part in bullying behavior and depending on the severity and this is the first offence a warning will be given. If the behavior continues or a second offence takes place, that person may be subjected to sanctions such as suspension from MMHA. All incidents of Bullying will be referred to the MMHA Executive Board for further investigation & action, which can include further warnings, discussions with parents, further suspensions or exclusions, ineligibility for tournaments and playoffs, up to removal from the team.

Statement of Intent

We (MMHA Executive) are committed to providing a caring, friendly and safe environment for all hockey participants so they can learn the game of hockey and the skills necessary to participate in the game in a fun, positive and secure atmosphere.

Bullying of any kind is unacceptable and will not be tolerated at or during any practice, game or other MMHA sanctioned event associated with our hockey program. If bullying is reported to any parent or player, they should immediately report the incident to their respective coach, team mentor, or any MMHA Executive Member who will ensure the complaint is investigated and dealt with promptly and effectively. We will promote a *TELLING atmosphere*. This means that *anyone* who knows that bullying is taking place is expected to report the incident, as indicated previously.

Definition of Bullying

Bullying is defined as conduct, gestures or comments which are insulting, intimidating, humiliating, hurtful, malicious, degrading or otherwise offensive to a player, group of players and/or teammates, and which create a hostile or intimidating environment, or which negatively affects a player or player's performance. Bullying is harassment, intimidation by means of any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents that results in pain and distress to the victim. Bullying can be:

- Emotional- being unfriendly, excluding or intentionally ignoring someone
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist racial taunts, graffiti, gestures or other slurs
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic remarks or focusing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumors, teasing, taunting or tormenting
- Any communication via internet, including but not limited to, use of social networking sites to send email, text messaging, internet chat room dialogue, video and any other communication by use of computer or cell phone

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect and feel comfortable in their environment. Players must be discouraged from bullying and MMHA has the responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

All players, parents, coaches and Association Board members should have a clear understanding of what bullying is. Coaches and Managers shall ensure that all players and parents are provided a copy of the MMHA Anti-Bullying Policy and discuss the important points of the policy each year during the respective Parent/Coach Meeting. All

players and parents should understand what they should do to report incidents involving bullying.

All coaches and Association Board members should be familiarized with the MMHA Anti-Bullying Policy each year and be made aware of the procedures to follow when bullying is reported.

As an Association, we take bullying seriously. Players and parents should be assured that they will be supported when bullying is reported.

Bullying will not be tolerated at or during any practices, games or other MMHA sanctioned events.

Signs and Symptoms

A child may indicate he or she is being bullied through various signs and symptoms. While some children are prone to report bullying to their parents, coaches or adults, others will not, due to fear, intimidation or other factors. Coaches and parents should be aware of the following possible signs indicating that bullying may be taking place prompting them to investigate further and/or share their concerns with coaches or Association Board members:

If a child:

- is frightened or unwilling to attend practice
- doesn't care to associate with team members
- asks to be picked up promptly from practice
- changes their usual routine
- feigns illness prior to practice or game time
- becomes withdrawn, anxious, or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- begins to do poorly in school work
- comes home with missing or damage equipment or clothing
- asks for money or starts stealing money (to pay bully)
- has unexplained cuts or bruises
- becomes aggressive, disruptive or unreasonable
- is bullying other children or siblings
- stops eating
- is frightened to say what's wrong
- gives improbable excuses for any of the above

These signs and behaviors could indicate other problems, but bullying should be considered a possibility and should be investigated.

Player Education

Coaches are encouraged to discuss the problems of bullying openly with their players in order to promote a “Telling Atmosphere”. Players should be encouraged to do the following to stop and discourage bullying tactics:

1. Players should tell their parents.
2. If a player is bullied at or during hockey practice/games, they should be encouraged to immediately tell their team coach. Telling is not tattling or “ratting” and the player should be reassured that no consequences will result to them for coming forward. If necessary, players should write down what happened, when it happened, and identify who bullied them.
3. If players are concerned or nervous about coming forward, they should be encouraged to talk with a friend or teammate. All other players but especially Team captains and assistant captains should be encouraged to intervene in any bullying situation.
4. Players should be encouraged to not fight back when confronted by a bully. They should calmly tell the player to stop, or say nothing and walk away. Again, they should report the incident to their team coach.

Procedures for Parents, Coaches and Board Members

1. Parents should report bullying incidents to the team coach, team mentor, manager or any MMHA Executive Board member. In cases of bullying, the coach, team mentor or board member who was contacted shall submit a written or verbal account outlining the reported bullying behavior to the MMHA Executive Committee. If necessary and appropriate, police may be consulted.
1. In all cases of reported bullying, parents of the player who was bullied shall be informed immediately and may be asked to meet with the respective team coach and/or team mentor to discuss the incident. In all cases, strict confidentiality shall be maintained.
1. The bullying behavior or threats of bullying must be investigated and the bullying stopped immediately. The parents of any player who is reported to be bullying will be contacted immediately by the respective team coach, team mentor, or Executive Board Member and asked to meet to discuss the incident. Depending on the severity of the situation, the parents may be asked to meet with representatives of the MMHA Board, as appointed by the President.

Consequences of Bullying

1. In a first offense situation involving bullying, an attempt will be made to encourage the bully (bullies) to modify their behavior for their benefit, for the benefit of the person bullied and other team members. The bully (or bullies) will be asked to genuinely apologize to those players affected, including all team members. An attempt

will be made by the coach, manager, or parent to reconcile the situation between the players (Age and level of maturity and or severity of offense must be considered). Other consequences or disciplinary alternatives to stop the bullying may also be considered by the MMHA Board.

If the bullying persists, disciplinary action against a player may be taken by the team coach and/or MMHA Executive Board which may include, but are not limited to, immediate suspension from participation in the hockey practice or game(s) and all other MMHA events for a period of time. The Board reserves the right to suspend or otherwise discipline any player for bullying in addition to any action taken by the coach. In severe cases, the Board reserves the right to prohibit further participation in the hockey program by any player deemed to be involved in the bullying other players.

1. After the incident/incidents have been investigated and dealt with, the situation will continued to be monitored by the respective team coach and player parents to ensure repeated bullying does not take place.

1. Any and all incidents of bullying, whether first offense or other, deemed minor or severe, will be reported to the MMHA Executive Committee or any MMHA Board Member immediately within 24 hours.

MMHA Hazing Policy

Hazing and initiation activities that involve hazing are abusive and illegal behavior that harm others and negatively impact the team environment by creating an atmosphere of fear, distrust, and mean-spiritedness. Macklin Minor Hockey Association (MMHA) strictly prohibit its players, management, coaches, volunteers and parents from engaging individually or collectively in any form of hazing or related initiation activity during any team activity, in conjunction with any team activity or involving any person(s) associated with the team, regardless of where it occurs. Any player who participates in hazing or related initiation activity or conspires to engage in hazing will face immediate disciplinary action - up to and including suspension or expulsion. In addition, a player who participates in hazing may be referred to appropriate law enforcement authorities and may face subsequent prosecution.

“Hazing” means any action taken or situation created that causes, or is reasonably likely to cause harassment, bodily danger or physical harm, serious mental or emotional harm, extreme embarrassment or ridicule, or personal degradation or loss of dignity to any player or other person associated with the team.

“Related Initiation Activity” means any method of initiation or pre-initiation into a team or any past-time or amusement engaged in with respect to such team, that causes or is reasonably likely to cause bodily danger or physical harm, serious mental or emotional harm, extreme embarrassment or ridicule, or personal degradation or loss of dignity to any other team member.

“Conspire to Engage in Hazing” means to plan, encourage, fail to prevent, or fail to report Hazing and Related Initiation Activity prohibited by this policy. Players

who observe Hazing activities and fail to intervene or report the Hazing to program officials may face disciplinary action for conspiring to engage in Hazing.

Activities that may be construed as Hazing under this policy, regardless of the perceived severity, include but are not limited to, the following:

- Any act that involves physical brutality or physical aggression that causes or is reasonably likely to cause bodily danger or physical harm to an individual.
- Any act that involves forcing, coercing, or permitting another player to eat or drink foreign or unusual substances or foods, alcohol, drugs, or other substances, or any other physical activity that could adversely affect the physical health or safety of an individual.
- Any activity that would subject an individual to extreme mental stress, embarrassment, or emotional harm, or any other forced activity that could adversely affect the mental health or dignity of the individual.
- Although not intended as an exhaustive list, the following examples are provided to inform players, parents and team management about specific misconduct that may be considered Hazing:
 - Any activity that might reasonably bring physical harm to an individual, such as whipping, beating, paddling, taping or otherwise restraining another player against his will and/or forced calisthenics done individually or as a group;
 - Activities that unreasonably interfere with a player's academic efforts by causing exhaustion, loss of sleep or loss of reasonable study time;
 - Morally degrading or humiliating games, pranks, stunts, practical jokes or any other activity that may make another player the object of amusement, ridicule or intimidation;
 - Throwing or applying whipped cream, shaving cream, toothpaste, water, lipstick, paint, honey, eggs or other substance on another player's body;
 - Shaving a player's head or other body areas;
 - Requiring any act of personal servitude;
 - Verbal or physical harassment such as pushing, cursing, shouting, yelling;
 - Requiring students to wear uncomfortable, ridiculous, or embarrassing clothing or underclothing;
 - Causing indecent exposure or any other gross and lewd behavior involving nudity or partial nudity;
 - Subjecting a player to cruel or unusual psychological conditions for any reason; or,
 - Compelling another player to participate in any activity which is illegal, perverse, publicly indecent, contrary to the affected player's genuine moral or religious beliefs or contrary to the rules, policies and regulations of the

community or MMHA including acts of vandalism, theft, assault, sexual acts or other criminal activity.
