

MANITOBA MAJOR SOCCER LEAGUE

USL2 Player Policy

Effective April 1 2021

All MMSL registered teams will have two (2) roster spots on their team roster that are dedicated for United Soccer League Division Two (USL2) players. These roster spots are in addition to the MMSL Roster space maximums.

A USL2 Player may sign with a MMSL team at any point within the MMSL Outdoor Playing Season. Once a USL2 player signs with a MMSL Club, that USL2 player will stay on the MMSL team's roster until the end of the MMSL outdoor playing season. USL2 players may not transfer to another team in the MMSL during the outdoor season, and a USL2 player may not guest for any other team in the MMSL.
