## **Rural Team Policy** **Updated March 2016**

The purpose of this policy is to outline a set of criteria that a Rural Team must comply with and meet in order to use a facility for their "Home Games" that is not contracted by the League. The policy applies to both the re-affiliation of existing members and the admission of new members.

### **Criteria**

The policy is limited to a Rural Team that meets and complies with the following criteria:

- 1.1 The facility that the Rural Team intends to utilize for "Home Games" is located a minimum of 25 kilometers from the center of Winnipeg.
- 1.2 The Primary Team Representative of the Rural Team has a permanent residence in the community of rural municipality where the facility is located.
- 1.3 The facility complies with League competition and field of play requirements.
- 1.4 The facility is accessible to the League on dates and times when needed for competition scheduling purposes.
