

## MSA Social Media Policy

The MSA has adopted a social media policy. As a participant in the game, it is your responsibility to comply with this policy.

The policy can be summarized in four basic principles:

1. Be truthful, respectful, polite, and fair
2. Do not say things that you would not want said of you
3. Use social media only when appropriate
4. Keep appropriate and common sense barriers between participants, such as between coaches or team staff and players
