## MANITOBA SOCCER HALL OF FAME NOMINATION CRITERIA

The Manitoba Soccer Association Awards Selection Committee encourages nominations from the public to any of the Manitoba Soccer Hall of Fame categories in recognition of contributions to the Manitoba soccer community. This includes, but is not limited to, nominations of an athlete, coach, builder, official, administrator, volunteer, or team.

Induction to the Manitoba Soccer Hall of Fame is an honour for the highest level of contributions, over many years, to the Manitoba Soccer community and nominators may submit a maximum of two nominations per selection year. The number of inductees in a given year, if any, will depend on the quality, quantity, and thoroughness of information provided in the submissions received during the nomination period. Eligible nominees not selected in the current induction year will be considered for selection for one additional nomination period, after which time a nomination must be re-submitted.

When submitting a nomination, these guidelines should be considered:

- The nominee must be a member of the Manitoba soccer community (born in Manitoba or resided in Manitoba for a minimum of five years during their accomplishments).
- The nominee must have made a major contribution to the development and advancement of soccer locally, provincially, nationally or internationally.
- The nominee or team should have achieved excellence at the provincial, national or international level over a period of years of accomplishments.
- If the nominee is a professional athlete, they should be retired from the professional game for at least three years, with the exception of Olympic or World Cup champions.

Nominations will be reviewed by the Awards Selection Committee and selected nominees will be presented to the Manitoba Soccer Association Board of Directors for approval. Communication of those being inducted into the Hall of Fame will be sent directly to both the inductee and the individual or group that nominated them. Communication for those not being inducted will be sent to the individual or group that had nominated the inductee.

Use of the attached nomination form is mandatory. Nominations received in another format will be returned for re-submission. Please contact [mbsoccer@manitobasoccer.ca](mailto:mbsoccer@manitobasoccer.ca) for any questions or clarifications.
