UNASSIGNED GAME(S) POLICY

STATEMENT

Leagues will be notified by the Manitoba Soccer Association's (MSA) Referee Department should there not be a referee(s) available to officiate a scheduled game(s).

ADMINISTRATIVE PROCEDURES

a) Notification

The MSA Referee Department will inform the league prior to the scheduled time of the game when a referee is not available. Additionally, the leagues have full access to view the assigning platform and are aware of assignments to the games.

b) Course of Action

The League will determine one of the following two courses of action:

i) Request the assignor to reassign a referee from one game to another providing the official is qualified to referee that level of competition. The referee that is moved must have been assigned a game within that league on that given day.

ii) Leave the original game unassigned for which a referee is not available.

c) Notification from League

The League shall contact the Referee Assignor within 24 hours which course of action has been taken for that particular game(s).

If the game falls on the weekend notification must be given no later than Friday at noon (12:00).

d) Notifying the Referee

The MSA Referee Department will ensure the recommended change(s), if any are communicated.
