Re: Teams Traveling to Tournaments

Dear Members,

The Manitoba Soccer Association would like to remind all teams wishing to travel to tournaments, either internationally or within Canada, that it is crucial to understand the requirements as it relates to identification and documentation required to travel.

Traveling to competition is a decision of the club (team).

We are recommending that teams traveling should do their due diligence to ensure that they are aware of the federal travel advisories, requirements, safety concerns, and any possible risks. The link to the federal government travel advisory page is:

In addition, provincial associations across Canada have sanctioned tournaments. The following is a list of provincial website links to access possible tournaments:
