# PRESIDENT'S ADDRESS

Hello MLAC hockey families.

This will truly be an unforgettable season as we all know. The season is behind us and we are looking forward to a safe hot summer and enjoy our family time out of the cold winter. I am extremely proud of our organization and know how incredibly hard each and everyone has worked to ensure our athletes have always been put first to ensure the mental health and well being during these times and how they have been addressed.

I cannot thank everyone enough within the organization on how hard you have worked in these trying COVID times. The multiple times & hours they have had to re-schedule ice and budgets would rock your world. This year with not actually having hockey was more complex and busier than any other year in history.

Through the pandemic and everything going on our club still finds a way to go the extra mile to continue to give back to unfortunate families in need of having a proper Christmas. The joint efforts from the Ladies Auxiliary, our Social Director and many volunteers were able to make this happen along with all 9 teams were able to collaborate to make this such a huge success for the Santa Anonymous Toy Run.

To our coaches who worked so hard to keep these young athletes together and doing their best either on ice or off. Coaches ran multiple zoom calls and had guest speakers throughout the season.

I am very optimistic as I'm looking forward to a new 2021-2022 hockey season.  
FASTER STRONGER BETTER

For our graduating players it's tough not having a proper farewell and celebration but I truly feel for you leaving Minor hockey this way. I wish each and every player all the best and hope you continue down the path and opportunities that cross your way to continue playing the game you love.

The door is always open and hope one day you are able to come back to the club and be a part of this organization in some capacity weather it's being a board member a director or possibly a coach.

Enjoy your summer and stay safe.

All the best

Neil Brown  
President  
MLAC

## MLAC VICE PRESIDENT

Good day everyone,

I am Stew Baxter, and I am the VP of MLAC. First thing I want to say is how thankful we are as a club to have our Treasurer /Registrar Liz Huston, our General Manager Tyler Richards and our Ice Allocator Ross Jackson involved with our Club. Without the countless hours they spent this past season updating budgets, getting or cancelling ice, rescheduling teams and answering numerous questions from parents, things could have been very difficult for the club without them. Thanks guys, you are appreciated!

This season was a very interesting season for all, and I also want to thank the coaching staff for everything they have done as well. They kept the players involved from home via zoom and it was awesome to see. This year was the first year we had the peewee program and with what little we were able to play I felt that it was a success. To be honest, it is fun to watch the little guys. Brings back a lot of good memories. The club is getting stronger and there have been many awesome comments of excitement waiting for teams to form and play. I am looking forward to the upcoming season to see how well our teams will do. I am hoping to see enough interest from the peewees to hopefully have more than 2 teams in the future. This would be great for our club to produce young players to be able to move on to AA and AAA Bantam and Midget.

We are in the process of having a promotional video completed to post on our social media and to send to the NE zone North Seera, Millwoods, Confederation and SEERA. We are hoping that it will help produce some more interest in the club for the up-and-coming prospects.

In closing, I want to say that this executive has done a tremendous job this past year with all the uncertainty and challenges we had because of COVID. It's been great to be part of this group and I look forward in seeing what we can continue to do when it all is back to normal.

Thanks, and have a great summer everyone.

Stew Baxter  
VP MLAC

## MLAC GENERAL MANAGER

Hello Everyone

I would like to thank all our players, coaches, and parents for their support through last season. I know it was trying on so many levels and was not what anyone imagined. I believe the dedication and determination shown, with all the different versions of the so call season is a testimony to our strength as a group, and will pay off in the upcoming season, and serve these athletes well in life.

I am excited for the upcoming season and seeing the growth.

Sincerely

Tyler Richards

Hello wonderful MLAC hockey families ❤️

I am Michelle Courville and I am the Social Director for the Maple Leaf Athletic Club. This was my third year with MLAC in different roles and I have enjoyed every minute of my time here. 2020/2021 Season was incredibly challenging to say the least, my duties as Social Director was to help our team / players give back to our community. This year I am immensely proud to say that our 9 teams all gave back by having a Santa's Anonymous game to collect money and or gifts to give back to our less fortunate. All 9 MLAC teams had scheduled games and before we could get them all played our Season was shut down due to the Covid 19 Pandemic, we had 2 teams that couldn't play their games, but their teams came through and collected toys by doing a toy drop off at our Clubhouse on November 28, 2020, I Thank all 9 teams, families and friends that donated to this wonderful cause. In this Pandemic we all worked together as 1 Large HOCKEY family and collected gifts and money to help Santa's Anonymous ❤️ Our Maple Leaf Athletic Club donated over \$1490 in gift cards, \$290.00 in cash and over 500 gifts. I THANK EVERYONE who donated and who also helped on delivery day, Saturday November 28, 2020. Traxx Coachlines donated a bus that we loaded and delivered all the toys etc., to Santa's Anonymous. I THANK Deja, Lisa, Brooke, Drina, Darcy, Bruce (the bus driver) Ross and his Marika who all helped to make the delivery day go very smooth. Global TV was there to show what a great job our MLAC hockey family did working together to give back to our community in this Pandemic ❤️ I Look forward to working with all our 9 teams again next season. Stay Safe and Stay Strong ❤️

ADAM LEMIEUX

THIS IS MY SON AIDAN'S THIRD YEAR WITH THE CLUB AND MY 2ND YEAR AS TEAM MOM. THIS YEAR MAY HAVE BEEN A DIFFERENT AND CHALLENGING YEAR BUT AS THE YEARS HAVE PASSED THE ONE THING THAT NEVER CHANGES IS THE FRIENDSHIPS AND MEMORIES MADE ON EVERY TEAM. THANKFULLY, AIDAN'S TEAM HAD THE CHANCE TO DO A SCAVENGER HUNT AT THE BEGINNING OF THE SEASON FOR A TEAM BONDING.

WAS GRATEFUL EVEN DURING THIS PANDEMIC THAT THE MLAC TEAMS GOT THE OPPORTUNITY TO PARTICIPATE IN A TOY DRIVE FOR SANTA'S ANONYMOUS. IT WAS SO HEARTWARMING TO SEE THIS ALL COME TOGETHER.

JUST WANT TO TAKE THIS MOMENT ALSO TO SAY THANK YOU TO MLAC U18AAA COACHING STAFF AND MANAGER FOR YOUR DEDICATION TO THIS TEAM. IT WAS SUCH A SHORT AND CHALLENGING SEASON BUT THE WORK YOU ALL DID TO DEVELOP THESE YOUNG MEN DID NOT GO UNNOTICED.

MY WISH TO YOU ALL IS THAT YOU LOOK BACK ONE DAY AND SMILE AT THE MEMORIES AND FRIENDSHIPS YOU HAVE MADE BECAUSE THOSE ARE WHAT WILL LAST A LIFETIME.

What a crazy year this was.... the season that wasn't. For all the graduating players I'm so sad they couldn't finish their Minor Hockey career actually playing the game they love. For Brownie, Bartel, T, Jeff, Cramer and my Mak, it has been my pleasure watching you all play these past few years. For Fergie, Shea, Toryn, Sean, Josh, Grant, Dylan, Aidyn, Tyler, Kylow, Everett, Peter and Braeden - I wish I could have gotten to know you better. Best of luck to all the boys, wherever next year takes them. It has been my honor to be a team mom all 5 years Aidan was with the club - memories I will treasure.

## *Nothing in Life that's Worth Anything is Easy – Barack Obama*

Every year when a new team begins a season, unknown challenges lie ahead. What those challenges will be, you don't really know until you come across them. Add a factor that no team has ever had to deal with before and try to guess how the 2020/2021 season was going to go, the most you could hope for is to take it one day at a time and make adjustments accordingly. The Legacy Heating and Cooling players did their best to control what they could. They did their utmost everyday to adjust to the changes and battle through it; all the while taking part in every opportunity presented to them, participating and attending team activities when called upon and continued to prepare rigorously to step back into game action. However, with the unpredictability of what will be forever known as Covid, the season that was and what could have been, was just as unforeseeable as what the disease was doing throughout our province and the world. Never would have anyone speculated in October that the season would be coming to a close by months end, no one could have predicted that. So the season that was, the 5 games that the Legacy Heating and Cooling team played, will be forever etched in our memories connected to a season that never did finish in traditional style. The shortened season was not entirely a loss however, the Legacy Heating and Cooling team was a team trending in the right direction, building upon the successes and failures of the games that did get played and they were preparing to play a more complete style of game when given the next chance to do so. They will forever be grateful that they still had teammates, they still were skating as a team and still continued to develop and work on their craft to become better hockey players and more importantly better people. These young men could not have handled the way things went any better. They were present, they showed up, they put the work in, they participated, they wanted to be good teammates and wanted to improve. From Google Meets to Zoom meetings, from World Junior pick 'em pools to NHL Fantasy drafts, from H.I.I.T. workouts to roasting Bill, from skill development to endless board rushes; this year won't be remembered by wins and losses, instead it will be remembered for the bonds and connections that were created and the relationships that were built in a time of everyday uncertainty. One thing that is for certain though, these players never gave up. Never gave up on the season, on the team and most importantly, on themselves. With that being said, the Legacy Heating and Cooling Coaching staff is forever grateful to have gone through this unprecedented season with these young men, with all of us coming out better at the end of this because of who they are. Teams that win championships all have one common trait, there was something special about them. Undoubtedly, there was something special about the players on the Legacy Heating and Cooling U16AAA team, this makes them Champions.

Well it was not the year we were looking forward to that is for sure. As a coaching staff we thought the team we had this year could of gotten to the championship for sure. We cannot thank the boys, parents, trainer and our manager for all the hard work and dedication you did for this past year. Take the things you have learnt from us and keep moving forward to bigger and better things. Thank you and good luck next season.

This is my son's second year with MLAC, but my first year being a part of the Lax team mom group. I was honored to be asked as I enjoy being part of this hockey community. This year had a great start with lots of familiar faces. Although we did not get in many games but the few, we did were exciting to watch. This year has had many ups and downs, but the team kept at it.

Practicing to make sure they were ready in case we got the green light for game play. I want to say thank you to the coaches and manager for their hard work keeping our boys loving the game.

Hopefully, next year we will be able to sit and enjoy games together once again. Keep safe till next year.

Starting this season, was a big unknown for many of us. For you as players new to the club, and for us looking at so many new fresh faces to work with. It has been an interesting and difficult year, but we loved every moment spent with you on the ice, in the dressing rooms, and on zoom calls. To all the players of U13AA Courville Consulting... what a great group of players you all turned out to be this year. From our first practices as a team to our last skate this spring, and all our zoom sessions in between, you guys have been my favorite team to coach in a long time. Each one of you came to each and every ice time with enthusiasm and a willingness to learn. The buy in from all of you is everything a coach wants to see in a team.

On behalf, of coach Mario, Sean, and Matt, I know all of you will do us proud next year as MLAC players for many seasons to come. I look forward to seeing you develop on other teams in MLAC colors, and I also look forward to working with many of you again.

The 2020-2021 season was a beginning of something new to MLAC, for the first time in the club's history we will be running a U13 AA program. It brought great excitement to me and my staff to be part of something new and we were responsible to help develop the foundation of players in our club for the years to follow. We knew from early on we had a special group of players, young people that worked hard, listen to the staff, and were always engaged.

As the season moved forward our players developed quickly, their individual skills and tactics improved greatly. Their ability to understand the what and the why of the game was being developed as well. The few games that were played, allowed myself and my staff to identify area of opportunities for many players to improve their skills.

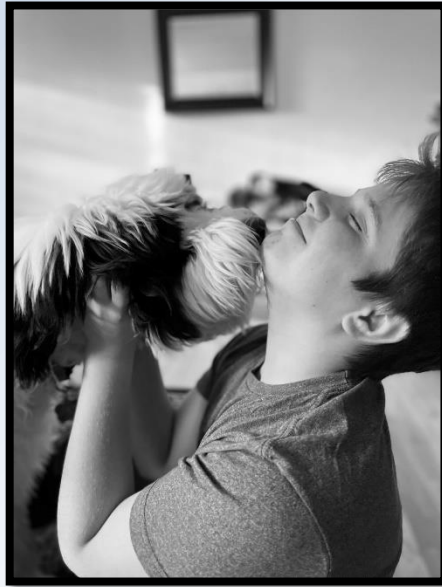

As our season had so many challenges to deal with, the suspending of the minor hockey due to the health crisis that society was facing, it brought on a concern, are we able to develop these players to face their next level in their hockey endeavor? With true to form this team climbed to the occasion as our coaching format changed. Ice times were replaced with webinars, which became the norm to build this team. Video work outs twice a week, team time, dealing with hockey structures and game analyses. Our U13 AA Traxx team once again showed up with there same desire as they showed early in the season. All worked hard in the video work outs, all listen and learned in the team time sessions.

When we look back on this 2020-2021 hockey season and the crisis that we all endured, did we fall short, I would say no. I had an opportunity to see a group of players that made the most of it, improved at every chance they had. A great set of parents that wanted nothing more than to see their kids play the game they enjoy. Parents that supported myself and my staff and were willing to make things work. A club that did what it needed to do. Thank-you to my director Merv Luczak for all his help. Thank-you to Traxx for there sponsorship of this team and who is a great support of MLAC, it will be a season that I will truly remember.

# LAX PRESIDENT'S MESSAGE

I am immensely proud of our club. I was so impressed by all the hard work our Executives put in to making this season work and how they managed to navigate through the constant stop and go of the lockdown. Huge kudos to our President Neil, GM Tyler and Registrar/Treasurer Liz. A big thank you goes out to our coaches & trainers for all that you have done for our players through this unusual season. To Brooke, a special thanks for all your hard work keeping our players safe and keeping our website and social media updated.

Thank you, team moms, Drina, Heather, Terry, Nicole, Michelle, Rhonda, Tanya, Amy, Trish & Emily, for the help you all put in for the short amount of time we had together. I hope we will be able to see one another again next season. To my VP Terry Makarowski, thank you for your support, I'm grateful for all your years of service to the LAX (all 5 years along with her son Aidan). To Barb and Tasha, our LAX at Large thank you for your support. Also, a big thanks go to Michelle Courville, our Social Director & LAX at Large, for all the hard work you did with the Santa's Anonymous Toy Drive. You helped make it a huge success! I'm very thankful of all the support towards the Ladies Auxiliary, by the club and the Alumni so that we may in turn provide

a positive program to all of our fine players!

I am really looking forward to next year as it will be our 50<sup>th</sup> Anniversary! We are planning to make it wonderful event. If anyone is interested in a position next year or just being part of the LAX team, please contact us at [lax.mlac.net](http://lax.mlac.net).

We wish everyone a great summer and look forward to the next season of 2021-2022

## MLAC PLAYER OF THE MONTH

Each team's coaching staff submits the name of the player of the month they feel has demonstrated the attitude "Never Give Up". This player continuously shows the team spirit and leadership both during games and practices. This player may not be the leader of the scoreboard but is the player that gives 110% every time he/she steps on the ice wearing the MLAC jersey.

To acknowledge the selected players, each recipient receives a Player of the Month t-shirt and a card of recognition.

### LAX RAFFLE WINNERS

I am Michelle Courville and this is my third year with the Maple Leaf Athletic Club's LAX.

My first 2 years I was a team mom with my son's team, now this year he played in Castlegar BC with the Castlegar Rebels in the KIJHL, so this year is my first year not as a team mom but still with LAX. The Ladies Auxiliary does a lot for all the players at the Maple Leaf Athletic Club.

At MLAC it's all about helping all of our teams representing MLAC and our organization to the highest standard.

I look forward to many more years with the Maple Leaf Athletic Club and the LAX

## MLAC LADIES ALUMNI

I am delighted on behalf of the MLAC Ladies Alumni to extend greetings and congratulations to everyone who participated in this year's successful hockey season. This is a perfect opportunity to offer special thanks to all the organizers who have worked tirelessly to ensure the continued success of the club.

To organize a hockey program of this magnitude takes countless hours of volunteer time, beginning with coaches, assistant coaches, trainers, directors, MLAC executive, LAX, hockey parents, sponsors and most important the hockey players. MLAC has experienced growth and adjustments in their hockey program and has embraced many changes. We are proud of this process and the success of our teams.

The LAX executive continues to amaze sideliners with their innovations and efforts in their support for the club. This one-of-a-kind organization in minor hockey since 1971 continues to offer leadership and behind the scenes support for the MLAC hockey program.

May the spirit of fun and good sportsmanship prevail and that we may continue to celebrate the long and proud history of our club.

Please watch the webpage for further info on the Annual Ladies Alumni Gold Tournament.

Congratulations and best wishes to all the graduating players.

# Building a stronger MLAC hockey program

## Through community collaboration

Local hockey clubs that include North Seera, SEERA and the Northeast Zone comprised of Brave-Raiders, Eagles and Northstars offer excellent hockey programs for children from 4 to 19 years. MLAC depends on these minor hockey programs to nurture and hone the skills of young hockey players in preparation for potential players to enter the Maple Leaf Athletic Club for AA and AAA Bantam and Midget teams.

**MLAC is looking forward to seeing all of these up and coming players at our future camps.**
