On behalf of Members of Council and the Town of Whitchurch-Stouffville, it is my genuine pleasure to warmly welcome participants of the Ontario Ringette U12 Championship, hosted by the Markham Stouffville Ringette Association.

Ringette is an amazing sport that is growing in popularity, and what an honour it is to be co-hosting the largest gathering of athletes in this age-group in the world with our good friend, the City of Markham.

Congratulations and thank you to all the organizers, coaches, parents and volunteers who make an event of this magnitude possible. And congratulations to the Markham Stouffville Ringette Association on the occasion of your 40th anniversary!

Best of luck to all participants, but I must say, Go Bears!

Sincerely,

Iain Lovatt  
Mayor

Hello Ringette Players, Parents and Fans:

I am the President of Markham-Stouffville Ringette Association, Gerald Lamoureux. This season 2023-24, we are celebrating our 40th Anniversary as an association, proudly representing Fastest Game on Ice in this area. Additionally, the sport of Ringette is celebrating it's 60th Anniversary this season.

We are making history, this Ringette U12 Championship, is the largest gathering of athletes in this age group in the world. We will have 55 teams from all across Ontario, almost 1000 participants (athletes, coaches, Referees and Volunteers) plus their families and fans.

Markham has Ringette lines on all of its Arenas and this is the first time that Stouffville will have Ringette lines on their Arenas for this Event.

Our theme for this U12 Ringette Event is 'Past, Present, and Future.' You will see the logo that we created for this event encompasses that theme.

For the Past, if you want to see the Ringette Heritage Display go to Clippers Arena in the Lobby, go to find your parents, your grandparents, your cousins and anyone else you know that played or participated in Ringette in the Past.

For the Present, know that Ringette is now played on 5 continents, From Russia to India, yes I did say India, to Europe, to Scandinavia, North America and to Australia, yes you heard me right, they play there too. Ringette is being played at the Ontario Winter Games, the Canada Winter Games, and the Finland Winter Games, and we have annual National Championships and the World Championships every two years.

You, the Athletes and Parents and Fans assembled here are the Future of Ringette. You will take this sport to places that we have only dreamed about. We are enabling you to grow this sport and to keep it as the Fastest Game on Ice.

We have prepared a great event for you, if you are hungry there will be food available to eat, we will have a great variety of Raffle items for you to win, we have games for the athletes to play while off the ice. We also have our first ever 50/50 Online Raffle, and we expect the prize to be HUGE.

For Sunday, we planned it for the teams that drive the furthest, to finish earliest. Yes that is for you Sault Ste Marie and Timmins.

We want you to have fantastic competitive games, and have some fun exploring the Markham and Stouffville areas.

We wish you the very best event we can make for you.

Thank you and Good luck.

Gerald Lamoureux

President

Markham-Stouffville Ringette Assoc.
