

# Markham-Stouffville Ringette Association

Serving the communities of Markham and Whitchurch-Stouffville since 1983

44 Christian Reesor Park Ave. Markham, On. L6B 1B6

The Markham-Stouffville Ringette Association (MSRA) has been providing ringette to the Markham, Whitchurch-Stouffville and surrounding areas for over 39 years. Our goal is to provide an opportunity for girls and boys to develop skill, fitness, fun and self-confidence while playing an ice sport. Ringette also develops co-operation, teamwork skills and a positive attitude towards a healthy living lifestyle.

As an Association, we offer learn to skate, in house power skating, regional and provincial rep teams. This year, there are over 100 girls and boys participating in our Bear Cubs and Rep programs. Our Rep teams include regional B level, provincial A and AA levels. Our teams travel across Ontario playing league games as far away as Burlington, Oshawa, and Barrie. They also travel to many tournaments within the province visiting such cities as Ottawa, London, St. Catharines and North Bay.

The sport of ringette was developed in 1963 in North Bay, Ontario, by the late Mr. Sam Jacks. Originally designed to be a unique winter team sport for girls and an alternative to hockey, ringette has evolved into a fast paced, exciting sport that combines the speed of hockey with the strategy of basketball and soccer.

The MSRA is a non-profit association which is run by parent volunteers. Every year, there are numerous expenses and costs required to run all our programs. We request your help with a financial contribution. For more information about the MSRA, please visit our website.
