EFFECTIVE IMMEDIATELY:

Anyone entering the Casman Centre will be required to wear a mask. This is being done for the safety of everyone in the building.

Preventative safety measures that include designated entrance and exits, signage and access barricades are now in place for everyone's safety.

Social distancing and all other existing health safety measures also apply.

Anyone caught removing the barricades or the tape from the seats will be removed from the building IMMEDIATELY.

We are taking the safety of our staff and patrons very seriously and we expect everyone's compliance with these important safety measures.

Your cooperation is greatly appreciated.

Thank you,

David Fitzgerald, President
Fort McMurray Oil Barons/NAAA
