

Competitive Program Information / Expectations

The Metcalfe and District Ringette Association (MDRA) competitive teams provide competition for those players who want to play ringette at a higher level and are willing to make the commitment.

The purpose of this document is to provide information to players and parents/guardians regarding team expectations, commitments, and cost before deciding to try out and play at the competitive level. This document also contains important information about the competitive tryout process and team formation. **Please read this entire document (parent and player) prior to attending the tryout sessions.**

These guidelines are based on information and guidance from the 2022/2023 competitive year.

All information is subject to change due to the ongoing and evolving rules and regulations arising from COVID-19 at both the Federal, Provincial and Municipal levels of government and the guidance provided by Ringette Ontario.

Competitive players are expected to make ringette their primary activity during the season.

Players are expected to attend all team activities including practices, league games, tournaments, play-offs, provincials, off-ice training sessions, fund raising opportunities and all other organized team events. The occasional absence due to illness, injury, family or school event is unavoidable, but all absences must be reported to the Head Coach in writing (via email), in advance of the absence. If repeated absences occur, the Head Coach has the right to raise a concern with the MDRA Executive.

Competitive players are expected to attend Provincial Championships, Eastern Canadian Championships or Canadian Ringette Championships if their team qualifies.

For the upcoming season the Metcalfe and District Ringette Association intends to host tryouts for the following competitive teams:

- U19A
- U16A
- U14A

U14A, U16A and U19A

Teams and Tryouts

- For the upcoming season, the MDRA expects to host tryouts for U14A, U16A and U19A. Independent evaluators will determine whether the teams are of caliber and viable.
- Tryouts for the U14A, U16A will be held at the beginning of May and U19A teams will be held in June. Watch the website for details, schedules and locations.
- Anyone trying out is asked to go to the Eastern Region website to register. Go to http://www.erra.ncrrl.on.ca/erra/tryout_registration.asp and complete the form indicating where you will be trying out. You need to do this even if you are a Metcalfe player trying out only in Metcalfe. In addition to Metcalfe, you will also indicate in what other association (only 1 other is allowed) you will be trying out as an Out of Association player.
- Players will be notified by email of the schedule of try out sessions and exhibition games, as well as the try out fee, and this information will also be posted to the MDRA website.
- Players will be notified by email if they have been chosen for the team.
- Ideally the MDRA prefers to have coaches set before the end of tryouts. The Director of Competitive will meet with parents and players remaining in the tryout to announce the coach when it is known. In the instance that the coach cannot be selected before the final tryout, players who are selected will be sent an email announcing the coach and offering a position on the team. The player has 24 hours to accept the offer.

U14A, U16A and U19A Competitive Information and Expectations

- U14A teams play in the National Capital Region Ringette League (NCRRL).
- U16A & U19A teams compete in the LRQ (Quebec league) against teams from Quebec and the National Capital Region. U16A & U19A teams should expect to make 2 or 3 trips to Montreal and/or Quebec City to play double header games against the Quebec teams.
- For the 2023/2024 Season, to attend Provincial Playoffs, teams must meet the following criteria: Please note not all teams will be able to attend provincial playoffs based on this new criteria
 - Two Qualifiers which are all-inclusive and will take place in February (dates TBD)
 - Teams must attend one Qualifier if they wish to make a bid for the Championship
 - Top four from each Division in each Qualifier go
 - Championship divisions are capped at 8 teams each
 - Age groups are U14, U16, U19,
 - Championship events will take place in March
- Players who have been chosen for the team will be required to sign a competitive player contract. For an example of the contract, please see the Appendix of this document.
- Players not selected for the teams will attend sort outs for the regional teams in their home association.
- Beyond the normal game and practice per week, U14A, U16A & U19A teams also participate in extra ice sessions as well as hold other dry land sessions designed to develop conditioning and strategy. This means that players may be involved in ringette activities three to five times per week.
- Coaches may apply progressive discipline when players are absent from any of the team

activities including practices, drylands and games. For example: If a player misses a practice, they may start the next game on the last line. Repeated absences may involve having to sit out a game.
