MEETING	NOTES:												
1	Ice Schedu	le Report	Jason Tinda	ali									
•	100 0011044	io itopoit		<b>~</b>									
2	Registratio	n Package	- Jenny Wri	ght (per rep	ort)								
	This is s statement from RAB The payment breakdown will show on the Player's registration payment details. The \$61 fee is only applied to one member once per year. It is not applied to Come Try Ringette or Camp divisions.  However when setting up the packages this option did not pull forward. I have emailed RAB for clarification on this.  As well as if we have options to add another breakdown for the \$200 volunteer fee. As it is the package is just a one time amount and would be \$1011 when people go to register and no breakdown options.  We may need to revisit this.												
	Also who will be putting this on the website as we should break down the costs and then let families know prior to registration to contact me for a promo code if they have more than one child registering.  We need to hit all our social media outlets  I did some of the packages for the next season.  Active start is up - full 1/2 season at new prices.  U10-U19 new player is up at \$500 - without the 200 volunteer fee.  And open teams are up.  The only ones packages that aren't made yet are for the returning players as I need clarification on that.												
	Couldn't copy them from last season as we had the changes.  Also I will need to make more packages for once July 1 hits for the non early bird price.  We had one register at the come try it for active start. I believe we are doing another come try it later?  This parent is also very interested in helping on the ice - super enthusiastic.  Had one interested in registering for u10 but without the packages up I let them know I would reach out when registration was open.  Elisha gave me all the info on who attended come try it so once we open registration I will reach back out to all those families.  I will be off the grid June 3- 8. I will answer any emails/texts when I return to Canada.
