Girls tournament is cancelled due to low registrations. If coaches can secure exhibition games for that weekend, Nan will book the fields and referees at no cost to the teams. The cost of these games will be taken out of the tournament fund and the girls will volunteer some time at the boys tournament. Fields would have to be booked by Dec. 22nd as the office is closed from Dec. 23rd to Jan. 1st and fields will be released back to the city on Dec. 22nd to avoid charges.

Boys

The following divisions will run for the boys unless we receive more entries by the deadline which is Friday, Dec. 15th.

U12BT2 and U12BT3 – If we do not receive another entry by the deadline, coaches can try and arrange exhibition games for that weekend and we will fit them into the tournament schedule.

RASC U17B will be looking to find some exhibition games for that weekend and Nan will reach out to the Senior Men's League to see if we can get a couple of games for the RASC U18B.
