- Check-in process, award presentation process, and length of banquet all worked well
- Possibly do a walk-around and sound check prior to the start of the banquet due to issues with poor sound quality
- Suggestion of incorporating some sort of social function after the award presentations have finished (ex. Background music or dance)
- Get final attendance numbers from Barb to determine if a smaller facility is possible, **Katherine will email Barb**
- MHSA still has an outstanding balance for the banquet, **Willis will call MHSA to follow-up**

- William has sent in sanctioning for approval to ASA
- Tournament is now listed on ASA's website
- More discussion regarding swag for the tournament, **each member of the committee is requested to bring an idea for a swag item to the next meeting (approx. \$15 total per item)**
- Discussion about admission wristbands
- Discussion about the raffle tables and that they should be done again for the upcoming tournament
- Once team formations have been established, it was suggested that each team should be trying to recruit for the tournament
