

COVID-19 Safety Plan 2021

Subject to Change – September 27, 2021

CONCESSION POLICY

Please note that each part is subject to change according to the facility requirements and Provincial Health Officer guidelines

Safety Procedures and Hygiene

Safety:

- Masks **MUST** be worn by everyone, including workers
- Concession staff/volunteers must provide proof of full COVID-19 vaccine
- The event organizer is responsible for ensuring patrons do not congregate/socialize in the Mezzanine and/or in front of the concession window
- Maintain 2-meter physical distancing
- Sanitize hands when ordering food and prior to eating
- Workers are to ensure the counter and condiment table are frequently sanitized
- Please follow the plastic delineators for traffic flow

Hygiene:

- Enter and exit through marked doors, follow all posted signage and arrows put in place by the facility
- As per required food handling procedures, workers handling cash will **not** handle food or concession items (unless hands are washed/sanitized after touching cash)
- High touch surfaces will be sanitized more often during peak attendance (i.e.: game intermission)
