MERRITT & DISTRICT MINOR HOCKEY ASSOCIATION

POLICY HANDBOOK

Revised September, 2016

Merritt & District Minor Hockey Association's (MMHA) Philosophy is to endeavor to provide hockey for all Players registered within the Association at a level compatible with each Player's skill, ability, attitude, desire and experience level.

1. OBJECTIVE

It is the purpose of this policy manual to provide assistance and direction to those who are responsible for the operating needs of Minor Hockey Players and Teams in the Merritt and District Minor Hockey Association. The duties and responsibilities of the Elected Executive are outlined in this Regulation Handbook under Job Descriptions.

The Association has adopted the "BC Hockey Team First Game and Conduct Management Initiative", whereby we will follow these procedures and contracts for the safe and fair management of all participants.

2. PURPOSE

The objectives of the MMHA are to:

- Govern and improve organized hockey in accordance with the bylaws, regulations and policies as set out by Hockey Canada (HC- www.hockeycanada.ca), British Columbia Hockey (BCH-www.bchockey.net), Okanagan Mainline Amateur Hockey Association (OMAHA-www.omaha.ca) and the Association;
- Promote, improve and perpetuate the playing of the game of hockey and to foster sportsmanship, good citizenship and community spirit;
- Implement and exercise a standard of care, safety, supervision and direction to guide the members of the Association;
- Recognize that Players participate for a variety of reasons, which may differ from one individual to another. The Association will attempt to satisfy as wide a range of Player opportunities as possible;
- Attempt to provide an equitable opportunity for every Player to play hockey, regardless of ability or financial means.

3. STRUCTURE

Merritt & District Minor Hockey Association is a non-profit recreational sport society incorporated under the British Columbia Societies Act. The Society is responsible for all Minor Hockey Activities within the boundaries established by the British Columbia Amateur Hockey Association (BCAHA).

The Merritt & District Minor Hockey Association is responsible to and receives its mandate from the Okanagan Mainline Amateur Hockey Association (OMAHA), which receives its authority from Hockey Canada (HC) through BCH.

The Association's Division Directors and team Management will place all Players on teams at playing levels that are commensurate with each Player's age, playing skill and experience. Every effort will be made to ensure this is achieved as fairly as possible.

**ALL Age "Divisions" (both male and female) within Minor Hockey are set by HC as follows:
AGE IS SET FOR THE PLAYER'S AGE AS OF MIDNIGHT DECEMBER 31 OF THE CURRENT SEASON.**

| | |
|------------------------|-----------------------|
| Initiation – Preschool | 4 years and under |
| Initiation | 6 years and under |
| Novice | 8 years and under |
| Atom | 9 & 10 year olds |

| Bantam | 13 & 14 year olds |

All teams in the Merritt & District Minor Hockey Association may participate at one of the 3 playing levels:

A. COMPETITIVE LEVELS

Teams will play in a league formed by OMAHA. These teams may also compete for the OMAHA Zone and Provincial Championships at the end of each season.

B. RECREATION LEVELS

All Players not electing to play on or not selected to play for Competitive Teams will play in a Recreation League. Atom Development is a Recreation team and may play in a formed league by OMAHA, or run by the local Associations.

7. TRYOUTS (COMPETITIVE & DEVELOPMENT)

The key premise upon which the Association bases its tryouts is that each Player should play at a level compatible with his or her skill, ability, attitude, desire and experience.

In order to assess and categorize each Player the following tryout procedure has been adopted.

- Each try out hour should be limited to a maximum of 40 Players on the ice, in order to avoid confusion and to allow proper evaluation.
- Each Player will be assessed using (Hockey Canada Evaluation Form) while performing basic or advanced hockey skills.
- Player assignment should be done with the utmost consideration.
- Sensitivity, respect and consideration to the self-image of the Players should be foremost, therefore, any Player not selected to advance to the next round of cuts shall be informed by Coaching staff using the "2-Deep" policy.

- Mandatory exit interviews for all Players upon conclusion of try-outs. (It is suggested that this be done at the far end of the Arena, allowing Players to exit directly through to the parking lot to meet parents).
- Coaches from each level should be available to assist in the selection and evaluation process.
- Evaluation plan and evaluators must be prepared in advance and available for review by the Head Coach if requested.
- Coaching staff must meet during the tryouts to review their observations, analyze and assign Players.
- It is mandatory that all Players and their parents are informed of the process prior to the start of tryouts.
- Rep fees will be submitted with registration by postdated cheque and will be processed upon carding.
- Target date to finalize team rosters will be in accordance with Hockey Canada, BC Hockey, OMAHA and MMHA regulations.

No Player is guaranteed a position on a team simply because he/she played during the previous season.

8. PLAYER MOVEMENT

Any Player movement between divisions must be presented in written format and approved by the executive prior to any Player moving (NO EXCEPTIONS). In order for a Player to be considered for movement, up or down, the following procedure must be followed. Players will be rostered within their age group, unless a request for Player movement is received and approved.

PARENT/PLAYER REQUEST

- The parents of a Player wishing to move divisions will submit a written request to the executive outlining their request with supportive reasoning.
- Once a Player movement request is received, the executive will have risk assessment confirm there is no risk to the Player, another member or the Association resulting in such a move.
- Before approval, any Player choosing to try out for Development or Rep must also qualify to be on the team.
- All team head Coaches must be in agreement to any Player movement.
- The first communication is between the Division Directors, then the Coaches of the affected teams.
- If no agreement can be reached amongst the Head Coaches/Directors the executive shall appoint a committee who will arbitrate and resolve the matter.
- The Division Director will then contact the receiving Coach to inform them of the decision.
- The Division Director will contact the affected Player, and their parent(s) or guardian regarding the decision.
- All Player movement during the season must be in accordance with BCH and OMAHA guidelines.

COACH REQUEST

- The Coach of a team wishing to see a Player moved divisions will submit a written request to the executive outlining their request along with supportive reasoning.
- Once a Player movement request is received, the executive will have risk assessment confirm there is no risk to the Player, another member or the Association resulting in such a move.
- Before approval any Player choosing to try out for Development or Rep must also qualify to be on the team.
- All team Head Coaches must be in agreement to any Player movement.
- The Division Director will contact the affected Player, and their parent(s) or guardian regarding the request to determine their interest, if the family is not interested in moving the Player and there is no risk to the Player, member of the Association or Association the child will remain in their appropriate level.
- Once the Player move is confirmed the first communication is between the Division Directors, then the Coaches of the affected teams.
- If no agreement can be reached amongst the Head Coaches/Directors the executive shall appoint a committee who will arbitrate and resolve the matter.
- The Division Director will then contact the receiving Coach to inform them of the decision.
- The Division Director will contact the affected Player, and their parent(s) or guardian regarding the decision.
- All Player movement during the season must be in accordance with BCH and OMAHA guidelines.

No Coach shall contact either directly, or indirectly, any parent or Player involved in a possible move prior to resolution.

9. AFFILIATE PLAYER (AP) POLICY

The Purpose of the AP Program is to provide playing opportunities at a higher level for Players within MMHA. Playing at a higher level will accomplish three things:

- A. An opportunity for the higher division to carry the maximum amount of Players permitted by HC rules.
- B. The Player being "called up" will gain invaluable experience that will improve his/her skills.
- C. The Player will bring the experience as well the higher tempo and skill back to his/her primary team.

1. At the start of the season, AP Players will be identified at each level. The first communication is between the Division Directors, then the Coaches of the affected teams.
2. Once all directors and Coaches are in agreement, risk management will be contacted to do an assessment of the Player, if approved the Player's parents will be contacted by the director to ask if they would like their child to be an AP and be part of the program.
3. If the Player and parents agree to be a part of the AP program, it will be up to the Coach at the higher level to determine the schedule for practice and games. The Coach of the higher level team will communicate directly with the Player and the primary Coach to let them know when they can participate and to ensure there is no conflict with their primary team.
4. A minimum of 4 Players will be AP'd to each team.
5. These Players will be permitted to "play up" at the next level ensuring priority is given to their primary team.
6. Under certain circumstances and with special permission from the executive consideration may be given for Players to be AP'd "2 levels up". They can practice as often as the Coach invites them but are only permitted to play a maximum of 10 League and Playoff Games before the primary teams season is done (exhibition and tournament games are unlimited).
7. In order for a Player to AP "2 levels up" (eg: Novice to Atom Dev) a letter of request from the Head Coach must be presented to the executive along with an evaluation by risk management to ensure there is no risk to the Player, another member or the Association. If approved the final decision will be by way of a vote from the executive prior to the Player being added to the HCR.
8. Coaches who would like to use a Player that isn't on the original AP list must notify the Association Registrar so the Player can be added to the HCR. The final deadline for an AP to be added to the HCR is January 15th.
9. Players who are scheduled in tournaments that are out of town; league games; playoff games; Provincials; or out with an injury will not be asked to AP. The Player will not be asked to miss a game with the primary team in order to practice.

The AP program will strengthen the entire Association as a whole if utilized properly. In the case where a Midget Player gets called up to Junior, a Bantam goes to Midget, a Pee Wee goes up to Bantam, an Atom to Pee Wee, Novice to Atom and an Initiation to Novice, the experience will in essence strengthen the 6 Players involved plus their respective primary teams upon return.

MMHA's goal is to use AP Players as often as possible. Parents and Players are reminded that to be a part of the AP program is a privilege, not a right.

10. DUAL ROSTERING

A female Player may appear on two HC rosters as a Player/goalie for a female and an integrated team (Eg. Should the player choose their primary team to be the female team the Player may only be added to the roster of the integrated team if space permits or should the player choose their primary team to be the integrated team the Player may only be added to the roster of the female team if space permits). During registration, every female Player must indicate which team will be their primary team. The Player's first obligation is to their primary team. Should one or both of the teams have try outs, the Player must first make it through try outs before they can be dual rostered. The Player will pay 100% of the try out fees for both teams. Registration fees will be 100% of the primary team fees and an additional \$100 will be payable upon confirmation of being dual rostered. The Registrar will communicate via email once the Player has been added to the secondary team.

It is the responsibility of the Head Coach of the secondary team to be in contact with the Head Coach of the primary team to ensure the availability of the Player doesn't conflict with the activities of the primary team. This communication needs to be in writing and of an auditable form. If written approval is not obtained in advance and/or a conflict is ignored, the Coach of the secondary team as well as the Player will be referred to the Discipline Committee.

11. INJURED PLAYER RETURN TO PLAY POLICY

Coaches and Association Officials are well aware of the variety of injuries that occur to Players and they know that despite all attempts to remove risk, injuries can happen. Team Officials should not force a Player to play after they are injured or play a Player without a medical certificate following illness or injury.

When an injury that prevents a Player from participating in regularly scheduled practices or games occurs, it is essential that a medical certificate from a Physician authorizing the Player's return to active participation be presented to the Risk Manager and team HCSP. A copy must be kept on file.

Team officials should not allow an injured Player to be on the Player's bench during a practice/game without Hockey Canada/BC Hockey required protective equipment.

12. CONFLICT OF INTEREST POLICY

A 'conflict of interest' is any situation where:

- a. your personal interests, or
- b. those of a close friend, family member, business associate, a corporation or partnership in which you hold a significant interest, or a person to whom you owe an obligation, could influence your decisions and impair your ability to:
 - i. act in MMHA's best interests, or
 - ii. represent MMHA fairly, impartially and without bias.
- c. a potential conflict of interest is deemed to arise when any elected member of MMHA Executive is involved as a member of or holds any position within a OMAHA league, Association, club or team and/or receives remuneration of any amount for any position within a minor hockey league, Association, club or team.

A 'conflict of interest' exists if the decision 'could' be influenced - it is not necessary that influence has or will occur. The policy shall include but not be limited to the MMHA Executive Committees, advisory bodies, and team, league, district Association and community club committees.

Resolution of potential conflicts should generally include:

1. promptly declare to the meeting Chair any conflict of interest as defined by the policy and ask that such declaration be recorded in the minutes,
2. excuse oneself from the portion of the meeting where the matter giving rise to the conflict of interest is being discussed,
3. refrain from all discussion of the matter which gives rise to the conflict of interest at any MMHA meeting, and
4. refrain from voting

13. "FAIR PLAY" TEAM FIRST

"FAIR PLAY" PROGRAM (RESPECT, INTEGRITY AND FAIRNESS)

- "Fair Play" is in place to ensure that each Player gets equal participation in game situations.
- Ice time lost due to disciplinary action, injuries, and suspensions does not apply.
- "FAIR PLAY" IS MANDATORY for Initiation, Novice, Atom Development, and all Recreational Leagues.
- Any complaints regarding "Fair Play" should be made in writing to the President. MMHA is committed to ALL Players, therefore infractions of the "Fair Play" guidelines will be dealt with severely.

"FAIR PLAY" TIPS FOR PARENTS

- The main expectation of the "Fair Play" program requires parents to act as positive role models.
- Yelling negative comments at opposing Players, or any Coach, any Player or any official will not be tolerated.
- If you are in the stands and the person next to you is being negative, tell that individual that he/she is not only embarrassing his/her son/daughter, but the embarrassment is spread to the team and all other participants on/off the ice.
- Accept the fact that mistakes will be made by some individuals during any game. Coaches, athletes and officials make mistakes. Be tolerant of mistakes, you are watching "AMATEUR SPORTS".
- If you feel that something unacceptable is being done, volunteer into the Association and participate in order to correct what you consider to be wrong. Yelling and screaming negatives will only serve to isolate you from your friends and from your child.
- The "Fair Play" program expects parents to understand that all Players want to have fun playing the game of hockey. Parents should encourage this fun in a positive way.
- The "Fair Play" program encourages parents to maintain a positive outlook towards not only their son and/or daughter, but to all the team-mates and to the opposing Players as well. Parents feel good when opposing fans clap for their Players and their team. Share that good feeling by clapping for the opposing Player or team when a good play occurs.
- The "Fair Play" program expects parents to understand that you are watching young Players having fun enjoying a sport they love. The young Players are NOT there to entertain the parents in the stands.
- The children you watch on the ice do hear and see you at the rinks. The children look to you for acceptance and praise.
- The "Fair Play" program expects that positive praise for your child and others should not be lacking. You as a parent are a vital part of the game.
- All "Fair Play" Contracts must be signed and submitted with Registration. Failure to do so will result in the Player not being allowed to participate.

The Fair play program encourages your participation in your son/daughter's hockey experiences.

MERRITT MINOR HOCKEY PARENT CONTRACT

It is the intention of this CONTRACT to promote “Fair Play” and respect for all participants within the Association. All parents must sign this pledge before being allowed to participate in hockey and must continue to observe the principles of “Fair Play”.

“FAIR PLAY” CODE

I will not force my child to participate in hockey.

I will remember that my child plays hockey for his or her enjoyment, not mine.

I will encourage my child to play by the rules and to resolve conflict without resorting to hostility or violence.

I will teach my child that doing one's best is as important as winning so that my child will never feel defeated by the outcome of the game.

I will make my child feel like a winner every time by offering praise for competing fairly and hard.

I will never ridicule or yell at my child for making a mistake or losing a game.

I will remember that children learn by example. I will applaud good plays and performances by both my child's team and their opponents.

I will never question the official's judgment or honesty in public. I recognize officials are being developed in the same manner as Players.

I will support all efforts to remove verbal and physical abuse from children's hockey games.

I will respect and show appreciation for the volunteers who give their time to hockey for my child.

I agree to abide by the principles of the “FAIR PLAY” CODE as set by Hockey Canada and supported by the Merritt Minor Hockey Association.

I also agree to abide by the rules, regulations and decisions as set for the Merritt Minor Hockey Association.
