1. **Call to Order: 8:03 PM**
2. **Meeting Purpose:** Discussing current COVID-19 restriction and what this means for our season.

Baseball Alberta is postponing the season to June 4th or 5th. This would put our ball season into late July. Our rosters need to be submitted this coming Sunday. Due to our location we are in what the province is considering a hot spot area so we will not be able to hold practices at this time. Being that our numbers are so close to where they need to be to host and register teams, it is decided that we need to survey our families and see how many would still be willing to play late into July before we can decide if we are going to register our teams for the league.

Survey will go out tomorrow and we will hold a tentative meeting on May 25th to make the final decision about our teams pending results of the survey.

**Meeting Adjourned: 8:25 PM**
