

## Mississauga Majors Baseball Association Privacy Policy

Any and all information collected will be used only for the purposes of conducting business in the day to day operations of Mississauga Majors Baseball Association. For example, we may need to disclose information to the City of Mississauga per the requirements of the Community Group Registry Program, and are required to disclose residency status to remain in compliance.

No information will be used or sold outside of this Association and its affiliates, unless compelled to do so by law enforcement or legal order. Also, from time to time it will be necessary to use your contact information for correspondence either through physical or electronic means.

The Mississauga Majors Baseball Association reserves the right to photograph players in uniform. Such photographs may be displayed, without player's names, on the Majors website and/or the Parent/Player Handbook.
