

About Mitchell Minor Sports

Mitchell Minor Sports Inc, (MMS) was created with the motto: Sports for All - Get Involved. The founding members created MMS in the late 1970's to have a governed body to ensure all who wanted to play minor sports were able and the system would have fair play for all. Hockey, Ringette, Fastball, Baseball and Soccer are under the Mitchell Minor Sports umbrella and have their own elected Executives. Each sport may be operated with their own set of rules and/or constitution, or may use their own rules and the MMS Policies and By-Laws along with their governing bodies. MMS' goal is to ensure all sports operate with fair play, maintain their policies, procedures and rules, operate within budget and to provide support and guidance if needed. As well, Mitchell Minor Sports Committee approves and maintains the following:

- Individual Sports budgets and financial transactions;
- Team sponsor contracts & collection;
- Fundraising coordination opportunities among sports;
