- Player benches will be used for the games.

### Game Zone

- The half-ice game can be played 4 on 4; or 5 on 5; depending upon the team composition and strength.
- Play 2, 18 Minute periods, but stop the clock after each shift change.
- Let's make sure the players are hustling in and out and ready for the faceoff after each shift.
- Shifts will be 2 minutes in length, with shift changes identified by a buzzer. The clock will be stopped at the end of each shift, then started when the players are in position.
- Shifts will begin with a Face-off.
- After goals and when the goalie freezes the puck, the puck will get thrown back into play and the game will continue.
