RE: Criminal Record Check with Vulnerable Sector Search

RCMP and/or Moose Jaw City Police

The Moose Jaw Soccer Association (MJSA) requires that all Volunteer Coaches, Officials, Board of Directors, Team Managers, and any other volunteers working with our youth during soccer programming and events related to our programming, undertake a Criminal Record Check with a Vulnerable Sector Search. This is because individuals who volunteer their service to Moose Jaw Soccer Association will be working directly with young persons under the age of 18.

_____ has been selected to participate

as a _____ and requires this check.

Should further information be needed please contact me at mjsa.chair@gmail.com or 306-693-1757.

Sincerely,

Dannielle Donnelly
Chairman of the Moose Jaw Soccer Association
