

# Morinville Youth Basketball Association

## COVID-19 Response

The Morinville Youth Basketball Association (MYBA) is making this announcement concerning all activities within the association moving forward:

**All spring events and programs are postponed indefinitely.**

We do not make any of our decisions lightly. All of our decisions are in favour of the safety of our athletes, coaches and their families. We will continue to monitor recommendations made by the Government of Canada, Province of Alberta, Alberta Health Services, and the Town of Morinville. Thank you for your continued patience with us.

Here are some immediate actions that we will be executing in the best interests of our MYBA families:

1. For anyone registered in our spring programs, you have the option of a full refund (80\$) or we can credit that to our Fall/Winter season registration. Refunds will be done through cheque, please email us with all required information to mail this out.
2. Club apparel that was purchased through the online store will be distributed once it is received. United Cycle (our Online Store provider) has closed their office as of March 20<sup>th</sup> due to the COVID-19 outbreaks and will contact us when they are back in the facility. At this time, online orders will likely not be ready in April. Once we receive more information, that will be sent out. We apologize for the inconvenience.
3. Our annual spring AGM will be postponed to a later date. Emails will be sent once our AGM date is confirmed.
4. Fall/Winter registrations will remain open at this time and we encourage early registrations. We do not anticipate that our EYBA game season will be canceled.
5. Please use this email address to contact us: [morinvilleyouthbasketball@gmail.com](mailto:morinvilleyouthbasketball@gmail.com)

If there are any major new announcements, we will contact you again via email.

Be safe and stay healthy.

Morinville Youth Basketball Association
