

**26th Annual**

***4 The Love of the Game***

**December 7-10, 2023**

**MLC and Legal Arenas**

**HOCKEY ALBERTA SANCTION # HA-22360490**

## Introduction

For the past 26 years, Sturgeon Hockey Club has held the **“4 the love of the Game”** tournament as a dedication to the memory of a young man who passed away in 1989 following his first year of Novice Hockey. Dennis Blair Borduzak (who wore number 4), is best remembered for his bright eyes, infectious smile, and his enthusiasm for the game.

Continuing his legacy the Borduzak family would like all players to value the importance of Team Spirit, Friendship and Enthusiasm during the Tournament and most Importantly Have Fun while showing Love of the Game.

We Sincerely thank the Borduzak Family for their support of Sturgeon Hockey club and allowing us to continue this tradition.

# Tournament Rules

As a Hockey Alberta sanctioned tournament, all games will be played in accordance with Hockey Canada & Alberta Bylaws and General Regulations. Certified Officials will be provided by Sturgeon Hockey Club for all games. It is the team Managers responsibility to update the roster prior to the start of each game if changes are required.

## Half-Ice Format

- Good sportsmanship is strongly encouraged throughout the tournament.
- All games are predetermined, see game schedule for details.
- In the case of conflicting jersey colour, the home team will be required to change. Teams are encouraged to bring two sets of jerseys with them.
- Any team unable to start play within 5 minutes of the scheduled starting time will forfeit the game.
- Teams will play half-ice format with partition boards at the center line.
- Play will consist of 4 on 4 plus a fully dressed Goalie & no score will be kept.
- Player announcements/DJ at every game.
- 2 minute warm-up, followed by two x 24 minute runtime periods, 2 minute break between periods and 6 minute post-game Heart & Hustle and MVP award ceremony.
- Visiting team switches sides at half time.
- Half ice face-off will occur at the start of each period.
- The buzzer will sound every 90 seconds indicating a line change
- A maximum of one 30 second timeout per game may be called by the coach
- When a goalie freezes the puck, the referee will blow the whistle and the opposing team will back away to center ice so play can resume
- If a penalty occurs, the referee will blow the whistle and indicate the call. The offending player will be sent to their bench where they will miss one shift.
- At the conclusion of each game players will line up for the Heart & Hustle and MVP award ceremony.
- At the end of each team's final game in the tournament, coaches will present players with a "4 The Love of the Game" custom medal. This will occur off-ice.
- Abusive behaviour from any team member directed towards an official will result in the coach and the offending individual being removed from the tournament. Same conditions will apply to parents.
