## 1.0 Purpose

How Morinville Minor Soccer Club (MMSC) handles requests for a player to move up one age level or to move down one age level. This policy applies when a player desires to move up or down an age group.

## 2.0 Terms

**Age Group** – Divisions based on the age groups specified by the Alberta Soccer Association and Canada Soccer.

**Move-up** – Moving a player from their birth registered age level to the next highest age level above.

**Move-down** – Moving a player from their birth registered age level to the next lowest age level below.

## 3.0 Policy

**3.1** Move-up requests will be considered only after all players of the proper age have been registered.

**3.2** All requests must be on a Player Movement Request form which can be accessed from the MMSC website and must be received by the MMSC President prior to the close of registration.

**3.3** If a player is requesting a move-down, a physician's letter supporting the downward movement request must accompany the Player Movement Request form.

**3.4** Players must play in their appropriate age group unless our Executive Board determines exceptional circumstances that may allow the player to compete at a higher or lower age level.

**3.5** Players requesting to move must attend the assessments, if applicable, for both their current age level and the age level they are requesting.

**3.6** The applicant will be notified by email of the outcome of the request.

**3.7** Morinville Minor Soccer Club is under no obligation to approve a move-up or move-down request, or to elaborate on their decision.
